

AFTER-READING ACTIVITY

Who said that?

DIRECTIONS:

1. First, can you remember how to say “I love...” and “you love...” in Spanish? Write it below. Go back to the story, **El Pájaro y la Ballena**, if you need help.

ENGLISH	SPANISH
I love...	
You love...	

2. Now, let's review some things that the bird and the whale loved. Using the story to help you, write down the translation for each sentence in each speech bubble. Then circle the character who said it. (Hint: some things might be said by both characters!)

I love the cliffs

I love to eat fish

I love being with you

You love to fly

You love to swim
