

## AFTER-READING ACTIVITY

# Practicing greetings

**DIRECTIONS:** Can students remember the different greetings they heard in *Los Tres Chivitos Traviesos*? Using the bank at the top of the page, help students write the translations for each one.

Buenos días	¿Cómo está usted?	Que tengas un precioso día	Hola
Discúlpeme	Es un gusto conocerte	Oye amigo	

Excuse me	
Hello	
Hey buddy	
Good morning	
How are you?	
It's nice to meet you	
Have a lovely day	

**DIRECTIONS (Part 2):** Practice greetings in Spanish. Give students different scenarios. Ask them which greetings or responses would make sense. Examples:

1. You see your best friend on the street.
2. You need to get your mom's attention but her back is turned toward you.
3. You meet your new teacher.
4. Your dad drops you off at school.
