

AFTER-READING ACTIVITY

Teach the troll to text (nicely)

DIRECTIONS: The troll wants to join the new online social network too, but he is much too rude! He makes everybody angry!

Teach the troll how to behave nicely online. Using some of the phrases you learned in the story, help him practice chatting politely with a new friend in **German**. Have the troll introduce himself, ask and answer simple questions, and then say goodbye.

The image shows a large smartphone graphic with a black border and a notch at the top. Inside the phone, there are four rows of chat bubbles. Each row consists of a solid-line speech bubble on the left and a dashed-line speech bubble on the right. To the left of each dashed bubble is a small circular icon of a troll's face. The troll's face is a simple line drawing with a wide, toothy grin and a single eye visible.
