

AFTER-READING ACTIVITY

Missing person!

DIRECTIONS: The prince is doing everything he can to find the mysterious woman from the ball. He's even creating a Missing Person poster!

Help the prince to create a poster in French. Read the story again. Stop each time you hear a description of Cendrillon that could help people to find her, and add it to the poster.

BONUS: Make a Missing Person poster in French for a famous person (alive or dead). Then have classmates guess who the person is, based on your clues. (Look up new vocabulary and write clues about their appearance, what they like to do, and where they hang out.)
