

AFTER-READING ACTIVITY

Crazy Cartoons

DIRECTIONS (Part 1): Start by creating flash cards for the words below. Cut out the cards and help students add the **German** translation to each card. If they need help, read *Des Kaisers neue Kleider* again at TheFableCottage.com. Use the flashcards to practice the words.

arms

legs

shoulders

belly

eyebrows

moustache

big

round

checkered

too big

too small

invisible

DIRECTIONS (Part 2): Have students place their cards face down in two piles — one pile for body parts (stars) and one pile for adjectives (hearts). Shuffle and draw a card from each pile. Read the body part and the adjective out loud in **German**. Have students write the pair of words and then draw a cartoon character with that feature (e.g., eyebrows/big).
