

VOCABULARY ACTIVITY

Food words

DIRECTIONS:

1. Cut out the flashcards on the next two pages. Each card has a food word from **Hansel y Gretel**.
2. Add the Spanish translation for each word to the back of the card. (If you are working with students who are still learning to write, you can write the translation for them and have them add pictures or trace the letters to practice their spelling.)
3. Use the flashcards to play “Don’t Feed the Witch!” See directions in the next activity.
4. If you have time, re-read **Hansel y Gretel** and listen for the new food words.
