

VOCABULARY ACTIVITY

Jack's counting house

DIRECTIONS: Let's count in German! Count the objects in the picture. Then help students write the answer to each question in German. (If they need help remembering numbers, listen to the part of the story again where the giant counts his coins.)

How many beanstalks do you see? _____

How many giants do you see? _____

How many coins do you see? _____

How many beans do you see? _____

How many cows do you see? _____
