# The Trading Market

**DIRECTIONS (Part 1):** Uh-oh! Jack is trading with the old man again! Will he make a good deal?.

1. Before you can play Trading Market, you'll need to know how to say these two phrases you heard in the story. (Write the translations in the chart below in German. Listen to the story again if you need help.)

	Translation
You've got a deal!

2. To play the Trading Market you will need Trading Cards. You'll find these on the next page. Label each Trading Card with the number word and the object word in German. (In the example below there is one cow, so you would write "eine Kuh".)
