

AFTER-READING ACTIVITY

If I were rich

DIRECTIONS: (Note: We recommend finishing the “Hypotheticals” activity before doing this one.)

What would you do if you were really, really rich? Would you get greedy like Jack? Would you buy a cow? Finish the two sentences in the chart below to say **two** things you would do if you were rich. Write what you would do in English, and then use what you’ve learned about conditional sentences to translate it into German.

You will probably need to look up some new words or verbs to finish these sentences.
