

VOCABULARY ACTIVITY

Fruit scavenger hunt

DIRECTIONS:

1. On the next page, help students write the translation for each fruit in **German**. Then, help them write the **plural** for each word so they can review how plurals work in German.
2. Re-read our version of **Schneewittchen** and have students see which of the fruits appear in the story. If they hear the fruit word, have them put a checkmark in the box next to the word.
