work experience

VolksWagen Future Center California Design Intern

JUNE 2019–CURRENT, SAN FRANCISCO

Working out of VW's Electronic Research Laboratory, I help the Future Center California team (also called the Advanced UX Lab). Currently working on the visual design systems for various concepts, assisting on research projects, and prototyping .

La Cocina Storyteller-In-Residence

SEPTEMBER 2018–MAY 2019, SAN FRANCISCO

La Cocina is a nonprofit empowering female entrepreneurs. As a CCA Connects Fellow, I followed new brand guidelines, created by Office Design, to craft their story. I designed print ads, photo shoots, and a completely new website for them.

Office of Student Life, CCA Graphic Designer, Lead

SEPTEMBER 2018–MAY 2019, SAN FRANCISCO

Came up with strategy and designed 2019/2020 academic planner for all incoming CCA freshmen. I also led a group of younger designers, giving them regular feedback and guidance.

Martin Venezky's Appetite Engineers Graphic Design Intern

JUNE–AUGUST 2018, SAN FRANCISCO

Assisted Martin Venezky on a large-scale art commission for a corporate office. I worked side-by-side with Martin, executing his vision while also proposing new ideas. In addition, I designed and developed his entire photography portfolio site in collaboration with him (www.martinvenezky.com).

California Academy of Sciences Interactive Design Intern

JULY 2018, SAN FRANCISCO

Ideated, prototyped, and began visual design on a redesign of the "Become a Member" web page. Worked closely with the entire Creative Studio team.
