

From our Family Engagement Coordinator

JENNY HALL

We are continuing to complete re-enrollments for the 2019/2020 school year.

Please remember that all missing and expired health documents are due at the time of re-enrollment.

From our School Director

JODI RAMOS

As the weather gets nicer and children are going outside to play more frequently, it makes it a great time to revisit how to Be Safe, Be Responsible, and Be Respectful in that setting as well. Waiting for an adult to cross the road or enter a parking lot is a great conversation to have about how to Be Safe.

From our Executive Director

DENISE SMITH

Families + Staff = Stronger Communities of Learning!

Engagement activities invite families to share their unique knowledge and skills while encouraging active participation in the life of the school. From this engagement, teachers are able to seek information about children's lives, families, and communities and blend that knowledge into curriculum and teaching practices.

Next steps: decide how you might participate more fully and start right away!

Women of Worth- May Meeting

Women of Worth met on WOW Wednesday, April 24th. The topic of discussion this month was conflict resolution and problem solving.
