## **DISCUSSING GOD'S WORD**

In verses 22 to 24, what did the Jews ask Jesus and what do you think their intent was?

The root of the Pharisees unbelief was an unwillingness to believe. What do you see in verses 25 to 31 as evidence to their unwillingness?

The Pharisees were not his sheep because they did not believe. In verses 25-28, what observations can you list about the relationship between Jesus and his sheep.

What does this tell you about Jesus and the Power the "Shepherd" has apart from any conduct of the sheep? What is your response to this truth?

What do we see is the Father's role in the life of the sheep?

John 10:19-42

### **Application:**

Jesus puts belief in his works as an entry point to believing his message. Do you find this to be true?

How can the “work” that Jesus has done in your life and the lives of fellow believers be an entry point into helping others come to faith?
