*To Shareholders*

Dear Madam or Sir

### 1 Introduction

The Company was launched as a closed-ended investment company in February 2017. It is registered as an investment company under section 833 of the Companies Act and conducts its affairs so as to enable it to continue to qualify as a REIT for the purposes of Part 12 of the CTA 2010 (and the regulations made thereunder).

The Company has successfully deployed the £543.6 million of equity and debt capital raised both on and since its IPO in February 2017 and, consequently, on 18 April 2019, the Company announced that it has been considering a further equity raise to fund further investments in line with its investment policy and objective and with a view to delivering further value for its Shareholders.

To that end, the Company has today published a prospectus in connection with the proposed issue of New Ordinary Shares by way of a placing, open offer, offer for subscription and intermediaries offer for a target issue of 84,555,569 New Ordinary Shares at an issue price of 118 pence per New Ordinary Share (the “**Issue**” and the “**Issue Price**”).

A copy of the prospectus of the Company in respect of the Issue (the “**Prospectus**”) is enclosed with this document.

Shareholder approval is required to authorise the Directors to allot New Ordinary Shares pursuant to the Issue. In addition, as the Open Offer is not being made to all Shareholders (as Shareholders in Excluded Territories are restricted from participating in the Open Offer), the Issue cannot be treated as being fully pre-emptive. Therefore, approval of Shareholders is required to allot New Ordinary Shares on a non-pre-emptive basis.

Accordingly, the Directors are convening a General Meeting to be held at the offices of Stephenson Harwood LLP, 1 Finsbury Circus, London EC2M 7SH at 9.15 a.m. on 12 June 2019. The formal notice convening the General Meeting is set out at the end of this document.

The Issue Resolutions that will be put to Shareholders at the General Meeting are:

- Resolution 1 – to authorise the allotment of up to 169,111,138 New Ordinary Shares pursuant to the Issue; and
- Resolution 2 – to authorise the allotment of the New Ordinary Shares referred to in Resolution 1 on a non-pre-emptive basis (although Shareholders will be entitled to subscribe for New Ordinary Shares under the Open Offer),

(together with the Issue, the “**Proposals**”).

The purpose of this document is to provide you with details, and to explain the benefits, of the Proposals and to set out the reasons why the Directors are recommending that you vote in favour of the Issue Resolutions at the General Meeting.

## **2 Background to, and reasons for, the Issue**

As stated above, the Company has successfully deployed the £543.6 million of equity and debt capital raised on and since its IPO in February 2017 and, consequently, has been considering a further equity raise to fund further investments in line with its investment policy and objective and with a view to delivering further value for its Shareholders.

The Investment Advisor, on behalf of the Company, has identified a significant pipeline of additional assets which meet the Company's investment objective and policy, the vast majority of which have been sourced off-market through the Investment Advisor's extensive contacts and relationships.

The Investment Advisor has already commenced negotiations and discussions concerning the acquisition of such assets on behalf of the Company. Furthermore, the Investment Advisor, on behalf of the Company, has entered into exclusivity agreements in relation to the acquisition of a number of these assets.

These assets are diversified by location and leased to a range of institutional-grade tenants with strong financial covenants, with rental uplifts linked to inflation and with a good mix within the pipeline of built assets and forward funded structures.

The assets, which total over £200 million in capital value, are diversified across a wide range of defensive and robust sub sectors. They benefit from a long weighted average unexpired lease term to first break of 25 years and a blended net initial yield of 5.6 per cent. (net of acquisition costs). 98 per cent. of the rents contain either inflation-linked or fixed uplift reviews.

These acquisitions are subject to on-going due diligence by the Investment Advisor and its professional advisers. The Company currently has no binding contractual obligations with potential vendors (other than assets on which the Company had exchanged contracts to acquire but had not completed as at 31 March 2019, which will be funded using the Company's existing resources) and, although there can be no assurance that any of these properties will be purchased by the Company, the Investment Advisor is confident that it will substantially invest or commit the net proceeds resulting from the proposed Issue within three months following Admission.

## **3 Benefits of the Proposals**

The Board believes that the Issue will have the following benefits for the Company:

- The additional assets forming the pipeline identified by the Investment Advisor, if acquired, are expected to be accretive and to further diversify the Company's portfolio of properties in terms of tenant, geographic and sector exposures.
- The Issue is expected to broaden the Company's investor base and enhance the size and liquidity of the Company's share capital.
- Growing the Company through the Issue will spread the fixed operating costs over a larger capital base, thereby reducing the Company's ongoing charges ratio.

## **4 Overview of the Issue**

The Company is targeting an issue of approximately £100 million (gross) or approximately £98 million (net of expenses) through the issue of 84,555,569 New Ordinary Shares pursuant to the Issue at the Issue Price of 118 pence per New Ordinary Share. If the overall demand exceeds this target the Directors have reserved the right, following consultation with Peel Hunt, to increase the size of the Issue to a maximum of 169,111,138 New Ordinary Shares. The actual number of New Ordinary Shares to be issued pursuant to the Issue, and therefore the Gross Issue Proceeds, is not known as at the date of this document but will be notified by the Company via an RIS prior to Admission. The Directors intend to use the net proceeds of the Issue to acquire investments in accordance with the Company's investment policy and objective, as more fully set out in the Prospectus.

The New Ordinary Shares will, following Admission, rank *pari passu* in all respects with the Existing Ordinary Shares and will carry the right to receive all dividends and distributions declared, made or paid in respect of the Ordinary Shares by reference to a record date after Admission.

The Issue Price is calculated by reference to the NAV per Ordinary Share as at 31 March 2019 (audited) of 114.60 pence, reduced by the dividend of 1.375 pence per Ordinary Share announced

on 20 May 2019 with a record date of 31 May 2019, in respect of the period from 1 January to 31 March 2019 and increased to reflect the costs and expenses of the Issue, which have been capped at 2 per cent. of the Gross Issue Proceeds.

#### *Placing*

Peel Hunt has agreed to use its reasonable endeavours to procure subscribers pursuant to the Placing for the New Ordinary Shares. The terms and conditions which shall apply to any subscription for New Ordinary Shares pursuant to the Placing are set out more fully in the Prospectus.

#### *Open Offer*

New Ordinary Shares are being offered to Qualifying Shareholders by way of the Open Offer. The Open Offer provides an opportunity for Qualifying Shareholders to participate in the fundraising by subscribing for their Open Offer Entitlements, being 6 New Ordinary Shares for every 25 Existing Ordinary Shares held and registered in their name at the Record Date.

If the Issue proceeds, valid applications under the Open Offer will be satisfied in full up to applicants' Open Offer Entitlements. Any New Ordinary Shares not taken up under the Open Offer will be made available under the Excess Application Facility, the Placing, the Offer for Subscription and the Intermediaries Offer. Open Offer Entitlements will be rounded down to the nearest whole number and any fractional entitlements to New Ordinary Shares will be disregarded in calculating Open Offer Entitlements. Fractions will be aggregated and made available to Qualifying Shareholders under the Excess Application Facility. Qualifying Shareholders who wish to subscribe for more New Ordinary Shares than their Open Offer Entitlement could make an application under the Excess Application Facility, the Offer for Subscription, the Intermediaries Offer or, if appropriate, the Placing. Shareholders should be aware that the Open Offer is not a rights issue and Open Offer Entitlements cannot be traded.

The latest time and date for receipt of completed Open Offer Application Forms and payment in full under the Open Offer and settlement of relevant instructions (as appropriate) is expected to be 11.00 a.m. on 12 June 2019 with admission and commencement of dealings in New Ordinary Shares expected to take place at 8.00 a.m. on 17 June 2019.

Further details as to how Shareholders can apply for New Ordinary Shares are set out in the Prospectus. Shareholders should not subscribe for or purchase any New Ordinary Shares except on the basis of information set out in the Prospectus.

#### *Offer for Subscription*

The Directors are also proposing to offer New Ordinary Shares under the Offer for Subscription, subject to the terms and conditions set out in the Prospectus. The Offer for Subscription is being made available in the United Kingdom, Guernsey, Jersey and the Isle of Man. Individual applications must be for a minimum subscription of 1,000 New Ordinary Shares and then in multiples of 1,000 New Ordinary Shares thereafter, although the Board has discretion to accept applications below these minimum amounts. Multiple subscriptions under the Offer for Subscription by individual investors will not be accepted.

#### *Intermediaries Offer*

Prospective investors may also subscribe for New Ordinary Shares pursuant to the Intermediaries Offer. Only the Intermediaries' retail investor clients in the United Kingdom, Guernsey, Jersey and the Isle of Man are eligible to participate in the Intermediaries Offer. Investors may apply to any one of the Intermediaries to be accepted as their client.

No New Ordinary Shares allocated under the Intermediaries Offer will be registered in the name of any person whose registered address is outside the United Kingdom, the Channel Islands or the Isle of Man. A minimum application of 1,000 New Ordinary Shares per Underlying Applicant will apply and thereafter an Underlying Applicant may apply for any higher amount. Allocations to Intermediaries will be determined solely by the Company (following consultation with Peel Hunt, in its capacity as intermediaries offer adviser).

### *Scaling back and allocation*

The Directors have reserved the right, following consultation with Peel Hunt, to increase the size of the Issue up to 169,111,138 New Ordinary Shares if overall demand exceeds 84,555,569 New Ordinary Shares.

In the event that commitments under the Issue exceed the maximum number of New Ordinary Shares available, applications under the Issue (other than applications up to Qualifying Shareholders' full entitlement under the Open Offer) will be scaled back at the Company's discretion following consultation with Peel Hunt. The basis of allocation of New Ordinary Shares under the Issue will be:

- (i) to each Qualifying Shareholder who applies, up to his full entitlement under the Open Offer (New Ordinary Shares issued to Qualifying Shareholders under the Open Offer are not subject to scaling back to satisfy valid applications under the Placing, the Offer for Subscription, the Intermediaries Offer or the Excess Application Facility);
- (ii) any New Ordinary Shares not taken up under the Open Offer, to applicants under the Placing, the Offer for Subscription, the Intermediaries Offer and the Excess Application Facility, with applications scaled back at the discretion of the Company following consultation with Peel Hunt.

There will be no priority given to applications under the Placing, the Offer for Subscription, the Intermediaries Offer or the Excess Application Facility pursuant to the Issue.

### *Dilution*

Assuming 84,555,569 New Ordinary Shares are issued pursuant to the Issue:

- Qualifying Shareholders who take up their full Open Offer Entitlement (excluding any New Ordinary Shares acquired through the Excess Application Facility) will not suffer any dilution to their ownership and voting interests in the Company by virtue of the issue of New Ordinary Shares pursuant to the Issue;
- Qualifying Shareholders who do not take up any of their Open Offer Entitlement and Shareholders who are not eligible to participate in the Open Offer, will suffer a maximum dilution of approximately 19.4 per cent. to their ownership and voting interests in the Company by virtue of the issue of New Ordinary Shares pursuant to the Issue; and
- the New Ordinary Shares will represent approximately 19.4 per cent. of the Enlarged Share Capital.

In the event that the Directors exercise their right to increase the size of the Issue up to 169,111,138 New Ordinary Shares:

- Qualifying Shareholders who take up their full Open Offer Entitlement (excluding any New Ordinary Shares acquired through the Excess Application Facility) will suffer a maximum dilution of 16.2 per cent. to their ownership and voting interests in the Company by virtue of the issue of New Ordinary Shares pursuant to the Issue;
- Qualifying Shareholders who do not take up any of their Open Offer Entitlement and Shareholders who are not eligible to participate in the Open Offer, will suffer a maximum dilution of approximately 32.4 per cent. to their ownership and voting interests in the Company by virtue of the issue of New Ordinary Shares pursuant to the Issue; and
- the New Ordinary Shares will represent approximately 32.4 per cent. of the Enlarged Share Capital.

### *New Ordinary Shares and future dividends*

The Directors have considered the potential impact of the Issue on the payment of dividends to existing holders of Ordinary Shares and will take steps to ensure that it will not result in any material dilution of the dividends attributable to existing Shareholders. Holders of New Ordinary Shares will not be entitled to receive any dividends declared with a record date prior to the date of their issue. Whilst the Directors ordinarily seek to pay dividends quarterly, the Directors currently intend to declare a first interim dividend in line with the stated dividend target for the year to 31 March 2020 in respect of the two-month period to 31 May 2019 in an amount equal to the quarterly dividend with a record date prior to the issue of the New Ordinary Shares. Accordingly,

holders of New Ordinary Shares will not be entitled to receive the final dividend in respect of the period to 31 March 2019 nor a dividend (if any) in respect of the two-month period to 31 May 2019. Subsequently, it is the current intention of the Directors to declare three further equal interim dividends in respect of the periods to 30 September 2019, 31 December 2019 and 31 March 2020, each with a record date after the issue of the New Ordinary Shares.

#### *Authority to allot the New Ordinary Shares pursuant to the Issue*

Pursuant to the requirements of the Companies Act, Shareholders are being asked to approve the following Issue Resolutions:

- Resolution 1 (which will be proposed as an ordinary resolution) to grant the Directors authority to allot up to 169,111,138 New Ordinary Shares (representing approximately 48.0 per cent. of the issued share capital (excluding treasury shares) of the Company at the date of this document) pursuant to the Issue. If approved, this authority will lapse immediately following Admission; and
- Resolution 2 (which will be proposed as a special resolution and which is conditional on the passing of Resolution 1) to grant the Directors authority to allot up to 169,111,138 New Ordinary Shares (representing approximately 48.0 per cent. of the issued share capital of the Company at the date of this document) on a non-pre-emptive basis. If approved, this authority will lapse immediately following Admission.

The Issue is conditional on the passing of both of the Issue Resolutions at the General Meeting.

An ordinary resolution requires a simple majority of members entitled to vote and present in person or by proxy to vote in favour in order for it to be passed. A special resolution requires a majority of at least 75 per cent. of members entitled to vote and present in person or by proxy to vote in favour in order for it to be passed.

Applications will be made to the FCA and the London Stock Exchange for all of the New Ordinary Shares to be issued pursuant to the Issue to be admitted to the premium listing segment of the Official List and to trading on the Main Market. It is expected that Admission will become effective and dealings in the New Ordinary Shares will commence at 8.00 a.m. on 17 June 2019.

#### *Treasury shares*

No Ordinary Shares were held in treasury at the date of this document.

#### *CREST*

The New Ordinary Shares will be issued in registered form. CREST is a paperless settlement procedure enabling securities to be evidenced otherwise than by a certificate and transferred otherwise than by written instrument. The Articles permit the holding of shares under the CREST system. Settlement of transactions in the New Ordinary Shares may take place within the CREST system if any Shareholder so wishes. CREST is a voluntary system and Shareholders who wish to receive and retain share certificates will be able to do so. Shareholders applying for New Ordinary Shares may elect to receive New Ordinary Shares in uncertificated form if such investor is a system-member (as defined in the CREST Regulations) in relation to CREST.

## **5 Costs of the Proposals**

The total net proceeds of the Issue will depend on the level of subscriptions received pursuant to the Issue. For illustrative purposes only, assuming that 84,555,569 New Ordinary Shares are issued pursuant to the Issue at the Issue Price:

- the Gross Issue Proceeds are expected to be approximately £100 million;
- the costs and expenses of the Issue are expected to be approximately £2 million; and
- the net proceeds of the Issue are expected to be approximately £98 million.

## **6 Considerations associated with the Proposals**

Shareholders should have regard to the following when considering the Proposals:

- The past performance of the Company or of the Investment Advisor is not necessarily indicative of likely future performance.

- All existing Shareholders not participating in the Issue will be diluted. Assuming 84,555,569 New Ordinary Shares are issued pursuant to the Issue, Qualifying Shareholders who take up their full Open Offer Entitlement (excluding any New Ordinary Shares acquired through the Excess Application Facility) will not suffer any dilution to their ownership and voting interests in the Company by virtue of the issue of New Ordinary Shares pursuant to the Issue. In the event that the Directors exercise their right to increase the size of the Issue up to 169,111,138 New Ordinary Shares, Qualifying Shareholders who take up their full Open Offer Entitlement (excluding any New Ordinary Shares acquired through the Excess Application Facility) will suffer a maximum dilution of approximately 16.2 per cent. to their ownership and voting interests in the Company. Qualifying Shareholders who do not take up any of their Open Offer Entitlement and Shareholders who are not eligible to participate in the Open Offer, will suffer a maximum dilution of approximately 19.4 per cent. to their ownership and voting interests in the Company if 84,555,569 New Ordinary Shares are issued pursuant to the Issue and a maximum dilution of approximately 32.4 per cent. to their ownership and voting interests in the Company if 169,111,138 New Ordinary Shares are issued pursuant to the Issue.
- The Company has not entered into any legally binding contractual arrangements to acquire any further properties from any potential vendors (other than assets on which the Company had exchanged contracts to acquire but had not completed as at 31 March 2019, which will be funded using the Company's existing resources). There can be no assurance as to how long it will take for the Company to invest the proceeds of the Issue. Even where the Company, acting on advice from the Investment Advisor, has identified and approved the acquisition of a property in line with its investment objective and investment policy it may encounter a number of delays before the property is finally acquired. The past performance of the Investment Advisor in terms of the speed of deployment of the £543.6 million of equity and debt raised on and since the Company's IPO cannot be taken as an indication of the speed of deployment of the Gross Issue Proceeds.

## **7 Miscellaneous**

Peel Hunt, which is authorised and regulated in the United Kingdom by the FCA, is acting exclusively for the Company and for no-one else in connection with the Issue and Admission and the other arrangements referred to in this document and will not regard any other person (whether or not a recipient of this document) as its client in relation to the Issue and Admission and the other arrangements referred to in this document and will not be responsible to anyone other than the Company for providing the protections afforded to its clients, nor for providing advice in connection with the contents of this document or any matters referred to herein.

Neither Peel Hunt nor any person affiliated with it, assumes any responsibility whatsoever and makes no representation or warranty, express or implied, as to the contents of this document, including its accuracy, completeness or verification, or for any other statement made or purported to be made by Peel Hunt, or on its behalf, the Company or any other person in connection with the Company, the New Ordinary Shares, Admission or the Issue and nothing contained in this document is or shall be relied upon as a promise or representation in this respect, whether as to the past or future. Accordingly, Peel Hunt disclaims, to the fullest extent permitted by applicable law, any and all liability whether arising in tort, contract or otherwise which it might otherwise be found to have in respect of this document or any such statement.

## **8 General Meeting**

The Issue is conditional on the approval by Shareholders of the Issue Resolutions to be proposed at the General Meeting of the Company which has been convened for 9.15 a.m. on 12 June 2019.

All Shareholders are entitled to attend and vote at the General Meeting. In accordance with the Articles, all Shareholders present in person or by proxy shall upon a show of hands have one vote and upon a poll shall have one vote in respect of each Ordinary Share held. In order to ensure that a quorum is present at the General Meeting, it is necessary for two Shareholders entitled to vote to be present, whether in person or by proxy (or, if a corporation, by a representative).

The Company does not currently have any existing authority to issue Ordinary Shares. It is proposed that the authorities sought at the General Meeting, if approved, will lapse on Admission.

The formal notice convening the General Meeting is set out at the end of this document.

## **9 Action to be taken in respect of the General Meeting**

Whether or not you propose to attend the General Meeting, if you would like to vote on the Issue Resolutions you may vote:

- by logging on to [www.signalshares.com](http://www.signalshares.com) and following the instructions;
- by requesting a hard copy form of proxy directly from the registrars; or
- in the case of CREST members, by utilising the CREST electronic proxy appointment service.

In order for a proxy appointment to be valid, please ensure that you have recorded proxy details with the Company's registrar, Link Asset Services, by 9.15 a.m. on 10 June 2019.

Further details are set out in the Notice of General Meeting at the end of this document.

Recipients of this document who are the beneficial owners of Ordinary Shares held through a nominee should follow the instructions provided by their nominee or their professional adviser if no instructions have been provided.

## **10 Recommendation**

The Board considers that the Proposals are in the best interests of the Company and its Shareholders as a whole. Accordingly, the Board unanimously recommends that Shareholders vote in favour of the Issue Resolutions to be proposed at the General Meeting. The Directors intend to vote in favour of the Issue Resolutions in respect of their holdings of Ordinary Shares, amounting to 393,168 Ordinary Shares in aggregate (representing approximately 0.11 per cent. of the issued share capital of the Company as at the date of this document).

Yours faithfully

#### ORDINARY RESOLUTION

Notes:

## **1 Voting record date**

Only members registered in the Register of Members of the Company at the close of business on 10 June 2019 shall be entitled to attend and vote at the General Meeting in respect of the number of voting rights registered in their name at that time. Changes to entries on the Register of Members after the close of business on 10 June 2019 shall be disregarded in determining the rights of any person to attend and vote at the General Meeting.

If the General Meeting is adjourned for no more than 48 hours after the original time, the same voting record date will also apply for the purpose of determining the entitlement of members to attend, speak and vote (and for the purpose of determining the number of votes they may cast) at the adjourned meeting. If the General Meeting is adjourned for more than 48 hours, then the voting record date will be the close of business on the day which is two days (excluding non-working days) before the day of the adjourned meeting or, if the Company gives notice of the adjourned meeting, at any time specified in that notice.

In the case of joint holders of a voting right, the vote of the senior holder who tenders a vote, whether in person or by proxy, shall be accepted to the exclusion of the votes of the other joint holders and, for this purpose, seniority shall be determined by the order in which the names stand in the Register of Members in respect of the joint holding.

## **2 Rights to attend and vote**

Members are entitled to attend and vote at the forthcoming General Meeting or at any adjournment(s) thereof. On a poll each member has one vote for every one share held.

## **3 Right to appoint proxies**

Pursuant to Section 324 of the Companies Act 2006 (the “Act”), a member entitled to attend and vote at the General Meeting may appoint more than one proxy, provided that each proxy is appointed to exercise the rights attached to different shares held by him. A proxy need not be a member of the Company.

The appointment of a proxy will not preclude a shareholder from attending and voting in person at the General Meeting or at any adjournment thereof.

If the total number of voting rights that the Chairman will be able to vote (taking into account any proxy appointments from shareholders over which he is given discretion and any voting rights in respect of his own shares) is such that he will have a notifiable obligation under the Disclosure Guidance and Transparency Rules of the FCA, the Chairman will make the necessary notifications to the Company and to the Financial Conduct Authority. Therefore, any member holding 3 per cent. or more of the voting rights in the Company who grants the Chairman a discretionary proxy in respect of some or all of those voting rights and so would otherwise have a notification obligation under the Disclosure Guidance and Transparency Rules, need not make a separate notification to the Company and to the Financial Conduct Authority. However, any member holding 3 per cent. or more of the voting rights in the Company who appoints a person other than the Chairman as proxy will need to ensure that both the member and the proxy comply with their respective disclosure obligations under the Disclosure Guidance and Transparency Rules. Section 324 does not apply to persons nominated to receive information rights pursuant to Section 146 of the Act. Persons nominated to receive information rights under Section 146 of the Act have been sent this notice of General Meeting and are hereby informed, in accordance with Section 149(2) of the Act, that they may have the right under an agreement with the registered member by whom they are nominated to be appointed, or to have someone else appointed, as a proxy for this General Meeting. If they have such right or do not wish to exercise it, they may have a right under such an agreement to give instructions to the member as to the exercise of voting rights.

Nominated persons should contact the registered member by whom they were nominated in respect of these arrangements. The statement of rights of shareholders in relation to the appointment of proxies in this paragraph does not apply to nominated persons.

#### **4 Proxies' rights to vote at the General Meeting**

On a vote on a show of hands, each proxy has one vote.

If a proxy is appointed by more than one member and all such members have instructed the proxy to vote in the same way, the proxy will only be entitled, on a show of hands, to vote "for" or "against" as applicable. If a proxy is appointed by more than one member, but such members have given different voting instructions, the proxy may, on a show of hands, vote both "for" and "against" in order to reflect the different voting instructions.

On a poll, all or any of the voting rights of the member may be exercised by one or more duly appointed proxies. However, where a member appoints more than one proxy, Section 285 (4) of the Act does not authorise the exercise by the proxies taken together of more extensive voting rights than could be exercised by the member in person.

#### **5 Appointment, receipt and termination of proxies**

To appoint a proxy, you may:

- (a) register your appointment on the Signal Shares portal at [www.signalshares.com](http://www.signalshares.com);
- (b) request a paper form of proxy from the Company's registrar using the details below; or
- (c) in the case of CREST members, appoint a proxy via CREST (see note 6 below).

By registering on the Signal Shares portal at [www.signalshares.com](http://www.signalshares.com), you can manage your shareholding, including: (i) casting your vote; (ii) changing your dividend payment instruction; (iii) updating your address; and (iv) selecting your communication preference.

To be effective, the proxy vote must be submitted at [www.signalshares.com](http://www.signalshares.com) so as to have been received by the Company's registrars not less than 48 hours (excluding weekends and public holidays) before the time appointed for the meeting or any adjournment of it.

Any power of attorney or other authority under which the proxy is submitted must be returned to the Company's Registrars, Link Asset Services, PXS1, 34 Beckenham Road, Beckenham, Kent, BR3 4ZF.

If a paper form of proxy is requested from the Company's registrar, it should be completed and returned to Link Asset Services, PXS1, 34 Beckenham Road, Beckenham, Kent, BR3 4ZF to be received not less than 48 hours (excluding weekends and public holidays) before the time appointed for the meeting or any adjournment of it.

**If you need help with voting online, or require a paper form of proxy, please contact the Company's registrar, Link Asset Services, by email at [enquiries@linkgroup.co.uk](mailto:enquiries@linkgroup.co.uk) or by telephone on 0871 664 0391 (if calling from the UK) or on +44 (0) 371 664 0391 (if calling from outside of the UK). Link Asset Services are open between 9.00 a.m. and 5.30 p.m., Monday to Friday (excluding public holidays in England and Wales).**

In accordance with the Company's Articles of Association, in determining the time for delivery of proxies, no account shall be taken of any part of a day that is not a working day.

A member may terminate a proxy's authority at any time before the commencement of the General Meeting. Termination must be provided in writing and submitted to Link Asset Services.

#### **6 Electronic receipt of proxies**

To appoint one or more proxies or to give an instruction to a proxy (whether previously appointed or otherwise) via the CREST system, CREST messages must be received by the Company's agent (ID number RA10) no later than the deadline specified in Note 5. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp generated by the CREST system) from which the issuer's agent is able to retrieve the message. The Company may treat as invalid a proxy appointment sent by CREST in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001. Instructions on how to vote through CREST can be found on the website [www.euroclear.com](http://www.euroclear.com).

**7 Voting by corporate representatives**

Corporate representatives are entitled to attend and vote on behalf of the corporate member in accordance with Section 323 of the Act provided they do not do so in relation to the same shares.

**8 Communication with the Company**

Members may not use any electronic address provided either in the notice of General Meeting or any related documents to communicate with the Company for any purpose other than those expressly stated.

**9 Questions at the General Meeting**

Any member attending the General Meeting has the right to ask questions. Section 319A of the Act requires the Directors to answer any question raised at the General Meeting which relates to the business of the General Meeting, although no answer need be given:

- (a) if to do so would interfere unduly with the proceedings of the General Meeting or involve disclosure of confidential information;
- (b) if the answer has already been given on the Company's website; or
- (c) if it is undesirable in the best interests of the Company or the good order of the General Meeting that the question be answered.

**10 Website**

A copy of the notice of the General Meeting, including these explanatory notes and other information required by Section 311A of the Act, is included on the Company's website, [www.lxireit.com](http://www.lxireit.com).

**11 Total voting rights at date of notice**

As at 16 May 2019 (being the last practicable date prior to the publication of this notice) the total number of ordinary shares in the Company in issue was 352,314,872. The total number of voting rights on that date was therefore 352,314,872.
