1.1	A listed entity should disclose: (a) the respective roles and responsibilities of its board and management; and (b) those matters expressly reserved to the board and those delegated to management.	Complies	This is disclosed in the Board Charter, a copy of which is available on the Company's website at www.naos.com.au . 1.3	A listed entity should have a written agreement with each director and senior executive setting out the terms of their appointment.	Complies	The Company does not have any senior executives. 1.5	<p>A listed entity should:</p> <p>(a) have a diversity policy which includes requirements for the board or a relevant committee of the board to set measurable objectives for achieving gender diversity; and to assess annually both the objectives and the entity's progress in achieving them;</p> <p>(b) disclose that policy or a summary of it; and</p> <p>(c) disclose as at the end of each reporting period the measurable objectives for achieving gender diversity set by the board in accordance with the entity's diversity policy and its progress towards achieving them; and either:</p> <p>(1) the respective proportions of men and women on the board, in senior executive positions and across the whole organisation (including how the entity has defined "senior executive" for these purposes); or</p> <p>(2) if the entity is a "relevant employer" under the Workplace Gender Equality Act, the entity's "Gender Equality Indicators", as defined in and published under the Act</p>	Does not comply	As the Company has no full-time employees and given the size of the Board, a diversity policy has not been established. However, the Company's Board Charter includes a diversity statement which sets out diversity principles that the Company aims to consider and review on a regular basis. Although the Company wishes to maintain a small Board in order to minimise costs and increase shareholder returns; the Board's composition is reviewed on an annual basis and in the event a vacancy arises, the Board will be cognisant of its diversity principles in its nomination process.

	Structure the Board to add value		
2.1	<p>The board of a listed entity should:</p> <p>(a) have a nomination committee which:</p> <p>(1) has at least three members, a majority of whom are independent directors; and</p> <p>(2) is chaired by an independent director, and disclose:</p> <p>(3) the charter of the committee;</p> <p>(4) the members of the committee; and</p> <p>(5) as at the end of each reporting period, the number of times the committee met throughout the period and the individual attendances of the members at those meetings; or</p> <p>(b) if it does not have a nomination committee, disclose that fact and the processes it employs to address board succession issues and to ensure that the board has the appropriate balance of skills, knowledge, experience, independence and diversity to enable it to discharge its and responsibilities effectively.</p>	Does not comply	Due to the size of the Company, the Company does not have a Nomination Committee. The Board believes that the formation of such a committee would be inefficient given the nature and size of the Company. It would not serve to protect or enhance the interests of the shareholders. Should the size of the Company change, the Board will consider establishing a separate nomination committee.

2.2	A listed entity should have and disclose a board skills matrix setting out the mix of skills and diversity that the board currently has or is looking to achieve in its membership.	Does not comply	While the Company does not have a formal board skills matrix, the attributes of each Director are considered before appointment. The skills, experience and expertise relevant to the position and term of office of each Director who is in office at the date of the annual report is detailed within the annual report.
2.3	A listed entity should disclose: (a) the names of the directors considered by the board to be independent directors; (b) if a director has an interest, position, association or relationship of the type described in Box 2.3 but the board is of the opinion that it does not compromise the independence of the director, the nature of the interest, position, association or relationship in question and an explanation of why the board is of that opinion; and (c) the length of service of each director.	Complies	The Company assesses the independence of its Directors against the requirements for independence set out in the Board Charter which reflect the independence criteria set out in the ASX Corporate Governance Principles. Director independence is initially assessed upon each Director's appointment and reviewed each year, or as required when a new personal interest or conflict of interest is disclosed. Directors are required to disclose all actual or potential conflicts of interest on an ongoing basis. David Rickards (Chairman) and Sarah Williams are considered by the Company to be independent. The Board considers that all Directors of the Company bring significant expertise and investment experience to the Company and that the current structure is appropriate for the Company at this time.
2.5	The chair of the board of a listed entity should be an independent director and, in particular, should not be the same person as the CEO of the entity.	Complies	The Company does not have a chief executive officer. David Rickards (Chairman) is considered by the Company to be independent.

Each Director may also obtain independent professional or other advice at the cost of the Company on matters arising during the course of their Board duties. The payment for the cost of the advice sought by the Company is subject to the approval of the Chairman, which will not be unreasonably withheld. The Company encourages all Directors to maintain the skills and knowledge required to effectively perform their role.
