

Verodin Job Posting – Accountant

Who We Are

Verodin is reshaping how organizations measure, manage and improve cyber security effectiveness. Evangelizing a technology movement takes more than just a good sales pitch. As a team, we obsess over helping our customers:

- Assess their current state and expose true security gaps
- Establish a means to measure security effectiveness and demonstrate improvement over time
- Realize the maximum potential of existing security investments
- Raise the bar for the entire security organization

If you're passionate about security, have the core competencies outlined below and are looking to join a team on a mission, Verodin is the place for you.

The Team and The Role

The Finance and Accounting team supports all aspects of Verodin. We operate in a highly dynamic and fast-paced environment. All team members must take ownership of their role within the organization, as well as a willingness expand their responsibilities when necessary.

This is a new position within the organization, reporting directly to the Director of Finance and Accounting, located in Northern Virginia. The Accountant will have a unique set of responsibilities. As the Accountant, you will be tasked with providing financial information to senior personnel by researching and analyzing various types and formats of data. The Accountant is expected to uphold the highest levels of discretion and efficiency while preparing reports and handling Verodin's financial matters.

We offer a comprehensive compensation package that includes a competitive salary, benefits, PTO and potential for equity.

Job responsibilities include:

- Prepare asset, liability and capital account entries by compiling and analyzing account information
- Document financial transactions, recurring and non-recurring
- Make helpful recommendations for action based on analysis of accounting options
- Summarize current financial status; prepare balance sheet, profit and loss statement, and other reports
- Substantiate financial transactions by auditing documents.
- Maintain accounting controls by preparing and recommending policies and procedures.
- Reconcile financial discrepancies by collecting and analyzing account information.
- Maintain financial security by following internal controls.

- Prepare payments by verifying documentation and requesting disbursements
- Comply with federal, state, and local financial legal requirements by studying existing and new legislation; enforce adherence to legal requirements and advise management on appropriate action
- Prepare special financial reports by collecting, analyzing, and summarizing account information and trends.
- Compile and prepare monthly financial analysis and modeling for the executive reporting and Board packages.
- Assists senior personnel with financial plans, monthly reporting, annual budget and ad hoc needs
- Participation with annual external audit process.
- Process payroll and perform human resource functions

Required qualifications include:

- A degree in accounting or related field, with 2+ years of relevant corporate accounting experience.
- Familiarity with Generally Accepted Accounting Principles (GAAP), to include understanding of revenue recognition concepts
- Knowledge of Software as a Subscription (SaaS) related terminology and metrics
- Prior early-mid stage company experience a plus
- Strong interpersonal and written communication skills and the ability to communicate with staff members of all levels.
- Must be self-motivated with an energetic, results-oriented and customer-focused style, coupled with strong planning and organizational skills.
- Ability to prioritize workload and the flexibility to manage changing priorities based on department and company needs with diplomacy.
- High attention to details + task/goal oriented and takes ownership
- Strong analytical and problem-solving skills
- Strong computer skills including Microsoft Office applications (with advanced Excel skills) required.
- Experience with Quickbooks and Salesforce

To apply for this role, please send your CV/resume and a detailed cover letter describing why you're a fit to careers@verodin.com.
