## Ethnic Background

Our ethnic background describes how we think of ourselves. This can be based on many things, including, for example, our skin colour, language, culture, ancestry or family history.

Ethnic background is not the same as Nationality or Country of Birth.

The [Information Commissioner's Office](#) (ICO) recommends that young people over 11 years old have the opportunity to decide their own ethnic identity. Parents/Carers with Parental Responsibility are asked to support or advise those children aged over 11 in making this decision, wherever necessary. Students aged 16 years and over are able to make this decision for themselves.

You have a right to decline to provide data on Student Ethnicity, First Language, Country of Birth and Nationality and to retract the data where previously submitted.

This can be done by contacting the school office using [contactus@lightcliffeacademy.co.uk](mailto:contactus@lightcliffeacademy.co.uk) or in writing to our postal address.

## Parent/Carer Permission for Photographs/Video

As a safeguarding measure, all students are photographed on entry into the Academy for identification purposes and to create an Identity/Cashless Catering card.

Periodically, it is also necessary to photograph or record students for educational purposes. For example, where students are following some GCSE courses, we may need to record them on video as part of the evidence for the examination. In these circumstances, the images are securely stored, used only for those purposes, and are only shared with others where we are legally allowed to do so.

From time to time, we also take photographs and videos of students to showcase what our students do in school and to celebrate their success and achievements. We use these images in the school's prospectus and newsletters, on the school's website and social media platforms, on display boards around school and occasionally in the external press and media e.g. newspapers and television.

We really value using images of our students in these ways and would like your consent to do so. If you're not happy for us to do this, that's no problem – we will accommodate your preferences.

If you change your mind at any time, you can inform us of this change by emailing us [contactus@lightcliffeacademy.co.uk](mailto:contactus@lightcliffeacademy.co.uk) or in writing to our postal address.

If you have any questions about the consent you are giving, please do not hesitate to contact us.

Please tick the relevant boxes below.
