

February 2019

Dear Parent/Carer

After half term there will be a timetabled programme of revision sessions for students to attend. This can be found below.

As there are a limited number of evenings, there are two days in particular which have several subjects on the same night.

It is vital, with your help, that your son/daughter carefully plans which revision sessions he/she will attend and not spend too many sessions on one particular subject.

All evening sessions will run from 3pm to 4pm and students will need to make the necessary arrangements to get home afterwards.

If you require any further information, please don't hesitate to contact either myself or Mr S Clarke Achievement Director for Y11.

	Lunchtime		After School	
	Subject	Room	Subject	Room
Monday	PE - AEP (Coursework)	C212	PE - AEP (Coursework)	C212
