

## Epic Fun will be closed to the public starting Monday, March 16 through Friday, April 3.

### Dear friends:

As you know, Coronavirus (COVID-19) is a growing concern throughout the world and now more locally as well. All of us at Epic Fun want you to know that your health and safety has always been our first priority and is even more important now.

*Therefore, beginning today, March 16 through at least April 3*, Epic Fun will be closed to the public. We regret any inconvenience, but this is in the best interest of our staff and community that we love and are part of. Thank you for staying informed and for doing all you can to help us in this effort.

### How you can help:

1. Wash your hands frequently with soap and warm water for at least 20 seconds each time, including when you are at our facility.
2. Avoid touching your eyes, nose, mouth, and face.
3. Keep personal spaces and items clean and disinfected.
4. Cover your cough or sneeze with a tissue or paper towel or with the crook of your elbow.
5. If you become ill or develop any symptoms of communicable disease, please stay home until you are cleared to be around others as recommended by CDC guidelines and/or your physician.
6. Talk with your children about Coronavirus and other communicable diseases to clarify information, discuss any fears they may have, and instruct them in personal health and hygiene.
