- Other: _____

What type of news stories break your heart most?

If money were no issue at all, how would you use your resources to help others?

What things do you see as wrong, unjust, or unfair in this world that you would like to see made right?

What experiences in your life have you walked through that God could use / is using to help comfort others?

Are there ministries that you'd like to be a part of / issues you'd like to work to end but don't know how or where to start?

Are you currently serving with an organization / ministry that addresses any of the issues you care most about?

Below, summarize what you think may be your top burdens, and share them with the group.

GROUP NOTES:

Is there something that multiple people in your group are passionate about?
