

Maxxon Priddy Leasing Rights Contract

This License agreement is made effective upon receiving musical work ("Composition"). It is made between the customer or recipient ("Licensee") and Maxxon Priddy ("Licensor"). Licensor warrants that it controls the mechanical rights in and to the Composition being sold to Licensee as of and prior to the Effective Date. The Licensee and Licensor have agreed to the following terms:

1. Licensor grants Licensee the worldwide, non-exclusive right to duplicate, distribute, sell, broadcast (TV, radio, internet), and perform publicly the Composition as long as it is combined with Licensee's vocals and not just the Composition or parts of the Composition alone.
2. Licensor grants Licensee the worldwide, non-exclusive right to synchronize the Composition with visual media (movies, TV, videos, video games, websites).
3. Licensee agrees, if applicable, to pay Licensor the one time purchasing fee. No royalties will ever be owed.
4. Licensor grants Licensee the right to sell an unlimited number of copies of the works they have created with the Composition.
5. Licensee has the right to make an unlimited amount of profit from their use of the Composition.
6. In all Projects in which the Composition is used, Licensee shall give credit to Licensor, Maxxon Priddy, in writing, such as a featured artist (i.e. following Licensee's legal or artist name in YouTube video titles or track listings on album covers) in the following format:

“Prod. By Maxxon Priddy”

7. Licensor has bought any and all samples in Composition for royalty free commercial purposes to be used within musical compositions and productions. However, the Licensee agrees that the Composition is purchased as a "Work Made for Hire" whereby the clearing of any sampled materials in Composition that may arise is the responsibility of Licensee.
8. Licensee may not use the services of the YouTube's Content ID system or the SoundCloud Monetization program.
9. This License is governed by and shall be construed under the laws of the United States of America, without regard to the conflicts of laws and principles thereof.
