**15.** Warranty provision:

All products sold by Aracent Healthcare are warranted by the manufacturer, Invacare Corporation, to be free from defects in materials and workmanship for various time periods as specified on the Invacare Product Warranties/Weight Limitations. Refer to the warranty card packaged with each product to determine the exact coverage for the product. Service parts are covered under a six (6) month warranty.

During the warranty period, any defective product shall be repaired or replaced, at Invacare's option. Aracent agrees to pay all freight charges on all warranty claims with an authorized call tag for authorized Government ordering agencies.

A copy of the Bill of Sale issued to the purchaser of a product may be required if obtainable, prior to processing a warranty claim.

Invacare does not warrant goods that have been misused or abused.

Items for warranty repair must be shipped to the designated facility with the return authorization number, freight-collect.

Invacare does not warrant goods that have been misused or abused.

Items for warranty repair must be shipped to the designated facility with the return authorization number, freight-collect.

Aracent agrees that our commercial warranty set forth above, is incorporated into this contract as a supplement to, not a replacement for paragraphs 52.212-4(o) and (p) on page 9 of the solicitation, which are also a part of the contract.

#### Returned Goods Policy:

Before signing for a shipment, inspect all cartons for visible damage and verify that the quantity received is correct on the Bill of Lading.

Always accept the shipment. If damage is apparent, indicate the nature of the damage (for ex., carton crushed) on the delivery receipt and have the delivery driver sign the receipt. When examining the contents of the cartons, stop unpacking upon the first indication of damage. Contact Aracent within seven (7) business days with findings.

Retain all original cartons and packaging materials.

Aracent will arrange for the freight carrier to inspect any freight-damaged products at your location and will order replacement products, at your request.

Aracent will process a credit based on the freight carrier's findings.

Products that have been used cannot be returned.

No returns or credits will be authorized on non-stock (builder) or custom made products.

Customers have thirty (30) days from receipt of a shipment to request a return authorization number to return unused stock product. A return authorization number is valid for thirty (30) days from the date of issue.

Customer initiated returns must be shipped freight-prepaid to the location identified by Aracent.

All freight-damaged products must be returned via the same freight carrier that delivered the merchandise for a credit to be processed.

All returned items are subject to a minimum 25% restocking fee. Returns that are the result of an error by Aracent will not be assessed a restocking fee and transportation charges will be absorbed by Aracent.

A restocking fee of 50% will be charged on all authorized returns that fall within the home delivery service category.

Products returned for credit must be properly packaged. Use the original shipping cartons when possible to avoid damage. Credit will not be issued for products damaged due to improper packaging.

If the product is returned due to vendor error, or if a damaged product is received all restocking fees will be waived, and Aracent will be responsible for all freight charges and the Government will receive a credit at the original invoiced price.
