

# ALL YOU NEED FOR AN INSPIRING DAY WITH COLLEAGUES

---

The Všetice Hotel is located in a village of the same name 35 km south of Prague, i.e. less than an hour's drive. The hotel is part of the Všetice Country complex, which also includes a modern equestrian centre with an indoor riding school with a heated gallery and bar with views into the hall, and an outdoor arena.

The hotel offers 81 permanent beds and 16 extra beds in 34 two- to four-bed originally decorated rooms and suites located in two buildings. It also provides fully equipped conference facilities. The hotel restaurant offers seating on two floors, an outdoor terrace with grill and smoker, a dance parquet and a concert podium.
