## Volunteer Sponsorship Program

We request a tax-deductible donation from corporate groups to volunteer with BGCSF. Groups contribute a tax-deductible donation (based on the size of your group reservation) to help cover the cost of supervision for your experience as well as contribute to the overall daily cost of operating a Clubhouse. This support allows us to continue to provide high-quality programming for the youth of San Francisco – those who need it the most. Below are the sponsorship levels available and associated benefits.

## Frequently Asked Questions

### **What is the Volunteer Sponsorship Program?**

We request a tax-deductible donation from corporate groups to volunteer with BGCSF. Sponsor levels are based on group size as well as the benefits associated with each level.

### **Why do we ask for a donation?**

Groups contribute a tax-deductible donation (based on the size of your group reservation) to help cover the cost of supervision for your experience as well as contribute to the overall daily cost of operating a Clubhouse. This support allows us to continue to provide high-quality programming for the youth of San Francisco – those who need it the most. With such high costs of doing business here in the Bay Area, Volunteer Sponsorship Program donations are crucial in helping us to serve more youth.

### **What will the volunteer experience be like?**

Through our Volunteer Program, your group has the opportunity to volunteer at a BGCSF Clubhouse or Site and participate in general programming, homework help, or special events. Our skilled and trained staff will provide the orientation and materials you will need and we do not require any previous volunteer experience. The majority of our volunteer opportunities occur from 3pm to 6pm and we ask that your team commits to the full timeframe to provide the most meaningful and productive experience.

### **What are some ways that groups are able to secure sponsorships for volunteer events?**

Many companies are able to secure a sponsorship for their volunteer event by requesting the funds from their executive team, HR Department, or Marketing Department. More often than not, companies are able to identify funds to allocate to charity and a volunteer team-building event. Donations are fully tax-deductible and 100% of proceeds will support the programs of BGCSF.

### **We don't have a budget for volunteer events. Are there other ways we can support the Club?**

If your company doesn't have a budget for volunteer events, we still encourage you to connect with your HR department or colleagues to see if there might be another budget to support this team-building activity. Of course, if a cash donation isn't an option at this time, your group could fundraise individually within the company, such as having all participating employees donate \$50-\$100 for the event or conducting a fundraising campaign company-wide to secure the support. We have tools and platforms that can help if this is an option. In addition, we can explore a potential in-kind donation, such as gift-cards or school supplies for our youth.
