Alvarez on Rebuild San Diego Proposal

SAN DIEGO, CA (February 9, 2016) – Councilmember Alvarez has issued the following statement in response to City Council’s approval today of the Rebuild San Diego Charter Amendment.

“The proposal considered by the City Council today does not solve the \$1.4 billion funding gap and will not rebuild San Diego. San Diegans need their parks, streets, sidewalks, libraries and other public projects fixed now – not decades from now.”

Alvarez is the Councilmember for the Eighth Council District of the City of San Diego, which includes the communities of Barrio Logan, Egger Highlands, Grant Hill, Logan Heights, Memorial, Nestor, Ocean View Hills, Otay Mesa, San Ysidro, Sherman Heights, Stockton and the Tijuana River Valley. He is currently the chair of the Committee on the Environment.
