## **Three Months is Too Long to Wait**

**SAN DIEGO (September 13, 2017)** – Councilmember Alvarez has issued the following statement regarding the Mayor’s announcement of the placement of three shelter tents for the homeless.

**“Three months is too long to wait,” said Alvarez. “San Diego is facing the deadliest outbreak of Hepatitis A in the country. The City must act now to stop it. We must end street camping by bringing the homeless indoors to public buildings such as the old downtown library, Golden Hall and the old County Courthouse.”**
