

# Blue Perigee Io Profile Sheet

**Services:** Comprehensive, innovation consulting services

**Primary Markets Served:** Individuals, groups, and organizations from any country who operate in the fields of politics, business, government, research, product and service development, and similar areas

**Purposes:** To enhance an individual's, group's or organization's capacity to pursue, recognize, and fully appreciate innovation; to promote global innovation by devising innovative solutions and providing training in the types of creativity and ingenuity that lead to innovation

**Galileo-Class Services:** Designed for those who prefer that we do the innovation for them; that is, there is a specific project, problem or issue that needs to be addressed and these types of clients would like us to devise a breakthrough solution

**Leonardo-Class Services:** Designed for those who prefer to do the innovation themselves; that is, these types of clients want to learn how to create a culture of innovation so they can display enhanced creativity and ingenuity and thus innovate indefinitely

**Payment Options:** **Galileo-Class** — pay a consulting fee per project or opt for a customized subscription plan that allows you to engage us for multiple projects; **Leonardo-Class** — pay a consulting fee per project, add an optional consulting-support plan to receive follow-up services (both LC fees vary by number of participants)
