Dear Mr Siegel and Welsmen Charities, Ltd.,

Individuals throughout history have found the inner strength to make a difference. They have impacted world events and influenced the course of human history. Others study these life-changing events to discover the source of power, intelligence, or desire that motivates heroes to make a difference. When a Christian like you makes a gift to KML, it is simple to acknowledge the source of power in your life. At KML we talk about the "Power of ONE." Jesus is the ONE who is all-powerful and lives in your heart. His power makes you powerful. Thank you for your gift of prayers and financial support to our ministry. You can influence the course of human events by spreading the Gospel of Jesus to others at KML. What you do as a child of God has eternal consequences.

If your gifts are directed to the **Capital/Debt Reduction** campaign, you are helping us fund the blessings of facilities that help us carry out that mission. Our debt reduction will help keep us strong and stable as a school. As long as we receive these types of gifts, our students will not have to fund the debt through tuition dollars.

Many people decide to provide direct support of the **People and Programs** (operating budget) of KML. The donations are used to fund our highly motivated faculty and provide excellent programs for our students. The cost of education is always rising and your operating donations help reduce tuition.

We always have families that are committed to Christian education but financially need help. Your gift may have been directed to assist our brothers and sisters with their tuition payments. The giver and receiver of **student assistance** feel great satisfaction with such a personal level of support.

The "Power of ONE" unites you and the KML faculty, staff, and student body into ONE family of believers. Together we have a purpose and mission to teach the ONE truth of salvation through Jesus. Thank you for working with us to make an eternal difference in the lives of others.

David W. Bartelt, Superintendent

Wendy J. Breimon, Mission Advancement

*Educating for Life and for Eternity*
