

DATAHACK 2018 Schedule

Wednesday

Thursday

Friday

	07:30 Yoga	07:00 Light Breakfast
	08:30 Breakfast	09:00 Hacking Ends
	09:00 DataConf Lectures	09:00-11:00 First Judging Round
	09:00 - 09:35 Bootstrap, Random Forest and all Sorts of Magic - PrimeterX	
	09:40 - 10:15 Where Should I Travel Next? Modeling Multi-Destination Trips with Recurrent Neural Networks - Booking.com	11:00 Brunch
	10:20 - 10:55 Beyond Word Embedding - Microsoft	
	10:55 Coffee break	12:00 Closing Ceremony
	11:10 - 11:45 Conversational Bots for Customer Support - IBM research	
	11:50 - 12:25 Semi-Supervised Learning for Tagging Coverage Extension - PayPal	13:30 Hackathon Ends
	12:25 Lunch	
	13:10 - 13:45 Using Deep-Learning to Detect Video Distortions - Intel	
15:30 Registration Opens	13:50 - 14:25 Can Big Data Really Replace Traditional Surveys for the Production of Official Statistics - Prof Danny Pfeffermann, Government Statistician	
	14:30 - 15:05 Overcoming the Electronic Traffic Sign Problem - Mobileye	
17:30 Opening Ceremony	15:10 - 15:55 Deep And Shallow Learning in Recommendation Systems - Taboola	
18:00 Hacking Starts & Challenge presentations	15:55 Coffee Break	
18:00 Workshop Practical Machine Learning	18:00 Workshop Introduction to Deep Learning	16:10 - 16:35 A/B Testing at Scale - Lightricks
19:30 - 20:00 Dinner	16:50 - 17:25 Neural Networks for Point Clouds: Adding the 3rd Dimension - Innoviz Technologies	
20:00 - 20:30 Dinner workshop track	19:00 Dinner	
20:30 Workshop Practical Machine Learning	20:30 Workshop Introduction to Deep Learning	
23:00 Late Night Snacks	23:00 Late Night Snacks
