

# Friendship matching game

Help your child think about what makes a good friend in this favorite memory game!

2+

5-10 mins

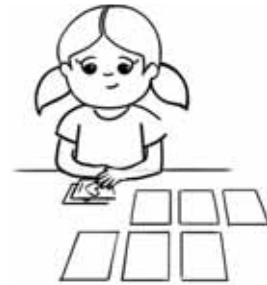

## Instructions

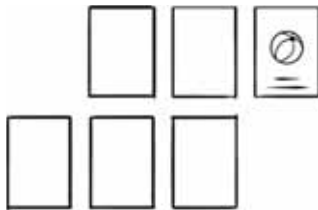

1. Place all the cards face down, so you can't see the pictures.

2. Ask your child to turn two cards over.

3. If they match, your child can keep them. If they don't put them face down again.

4. Now it's your turn to choose two cards and see if they match.

5. Encourage your child to remember the pictures as you play.

6. You may wish to act out each action as the cards are matched.

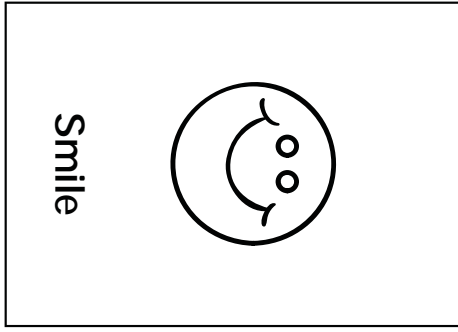

7. The winner is the person with the most cards at the end.

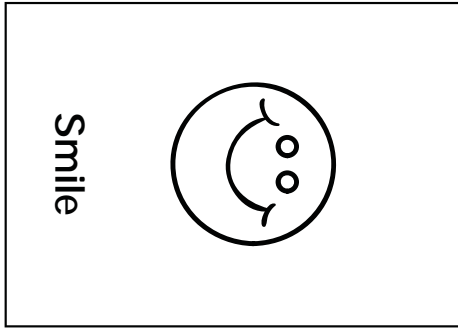

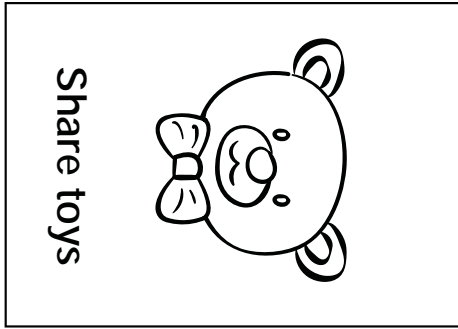

Print and cut out these cards along the dotted line...
