

Key Stage: Two

Topic: Second World War

Lesson Objective: This learning sequence will help children write a comprehensive explanation of the main events of the WW2.

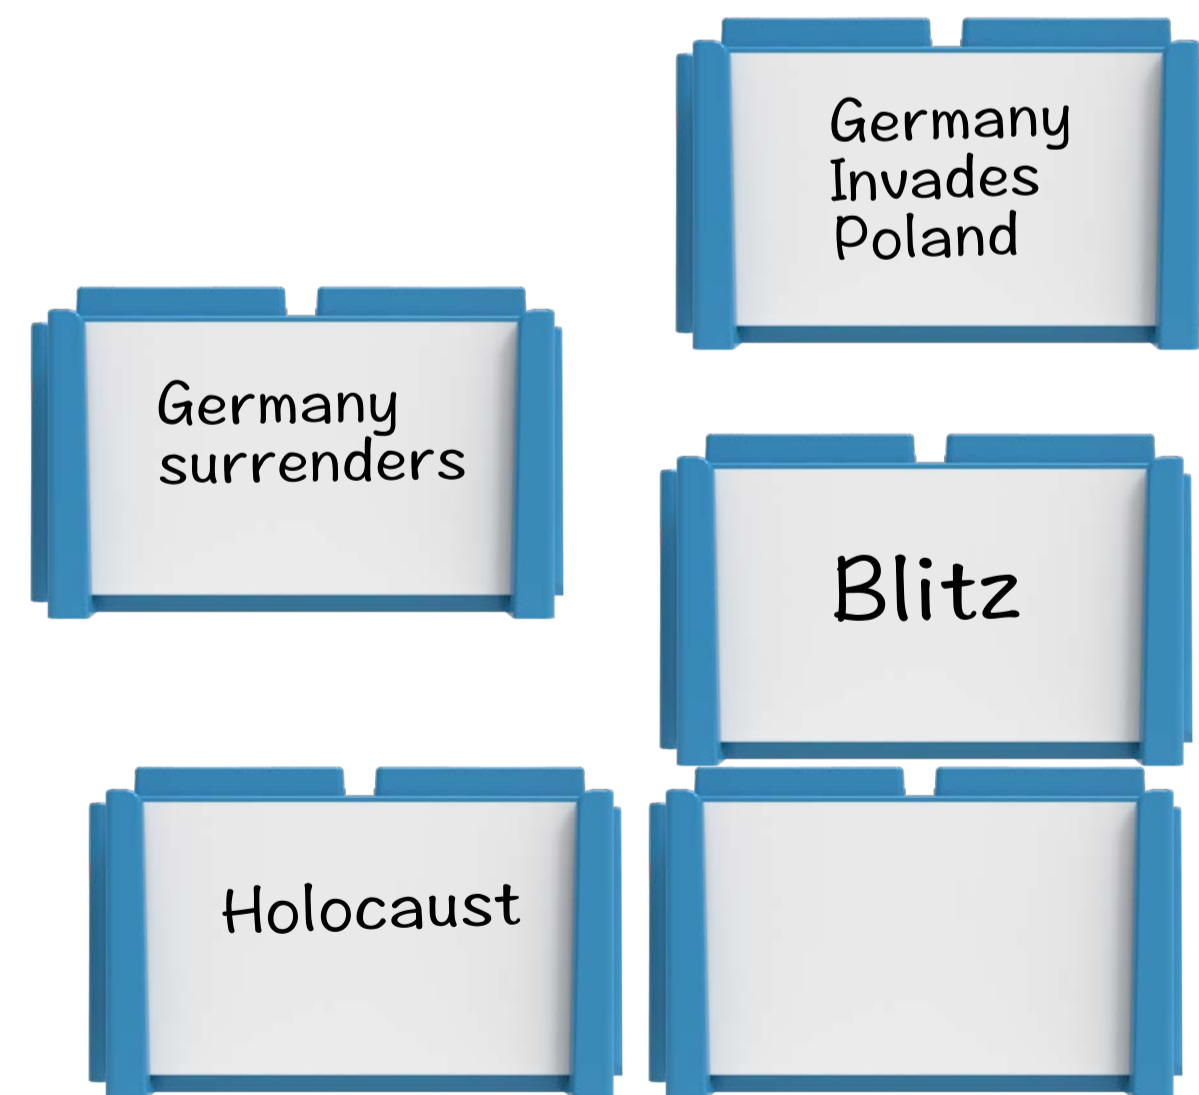

1 Identify
List the information to be used.

Guidance
Children **identify** and talk through the main events.

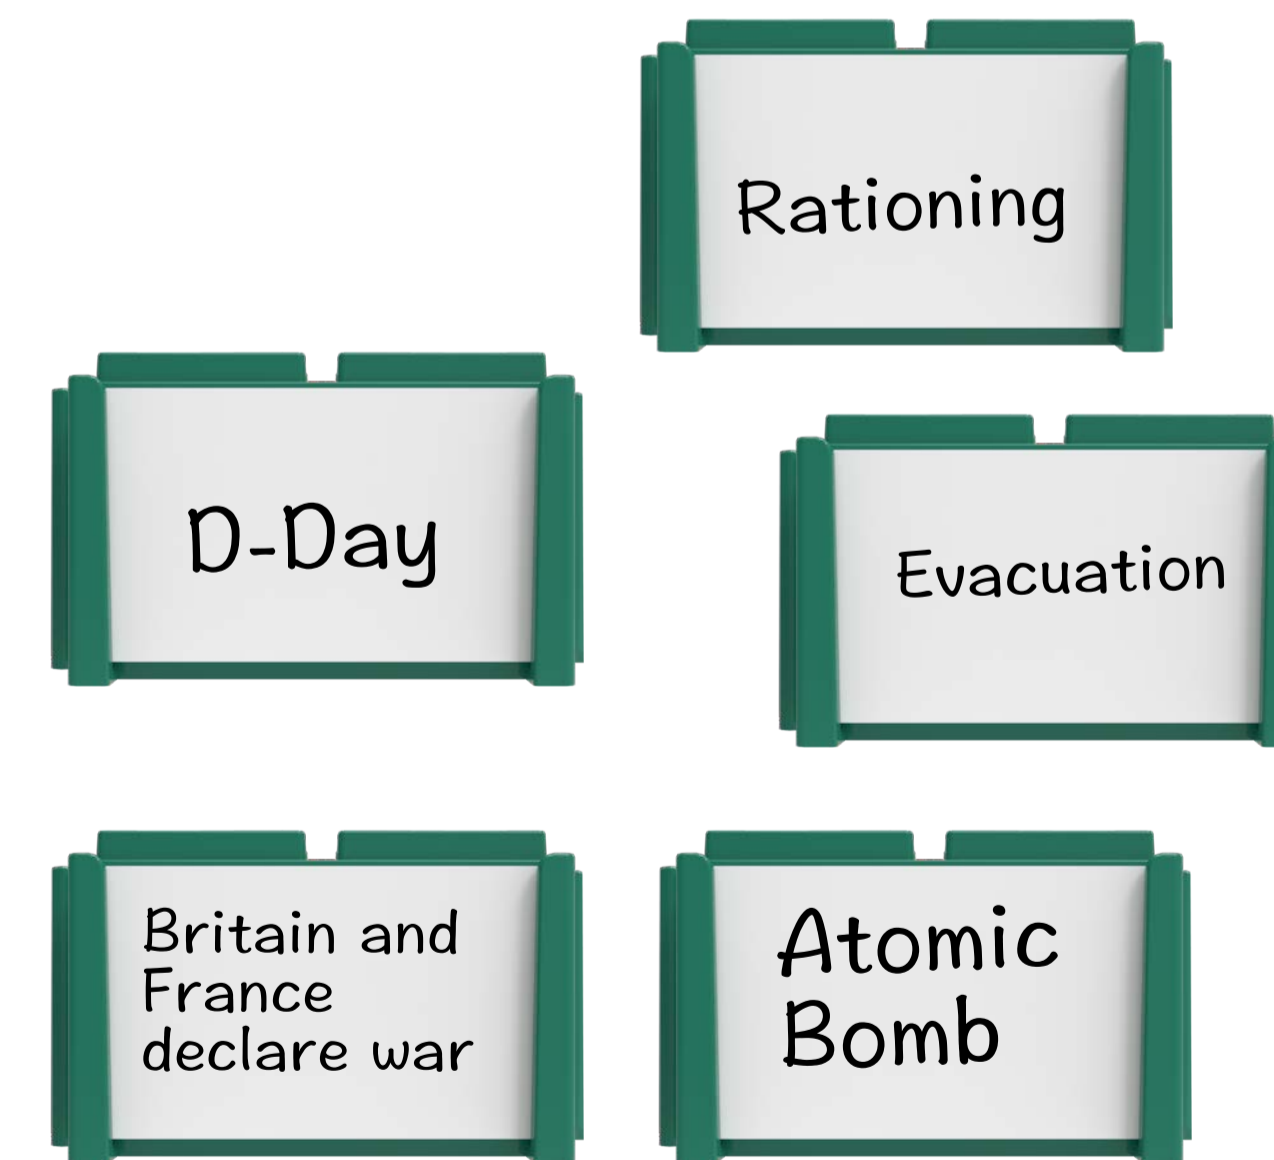

2 Categorise
Sort items into groups.

The items can now be categorised into German Actions and Allied Actions.

German Actions

Allied Actions

3 Sequence

Order by time or logic.

Guidance

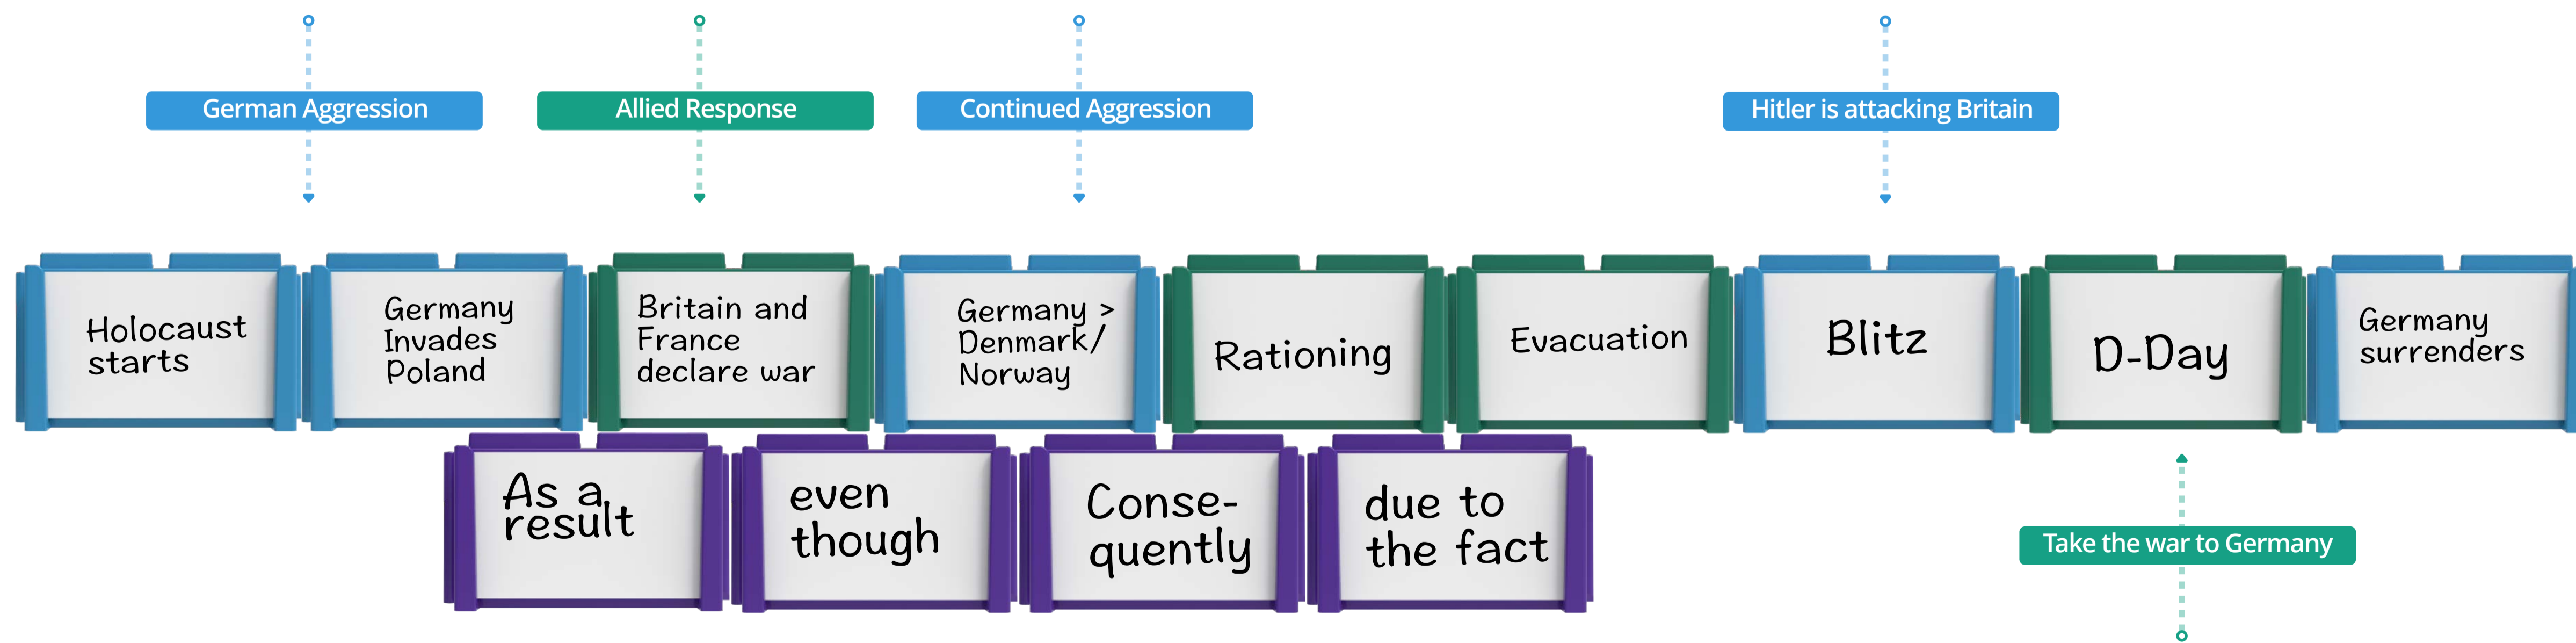

Children order the events chronologically.

4 Connect

Create causal links between items.

Talk through **causal** links between events and add appropriate connectives.

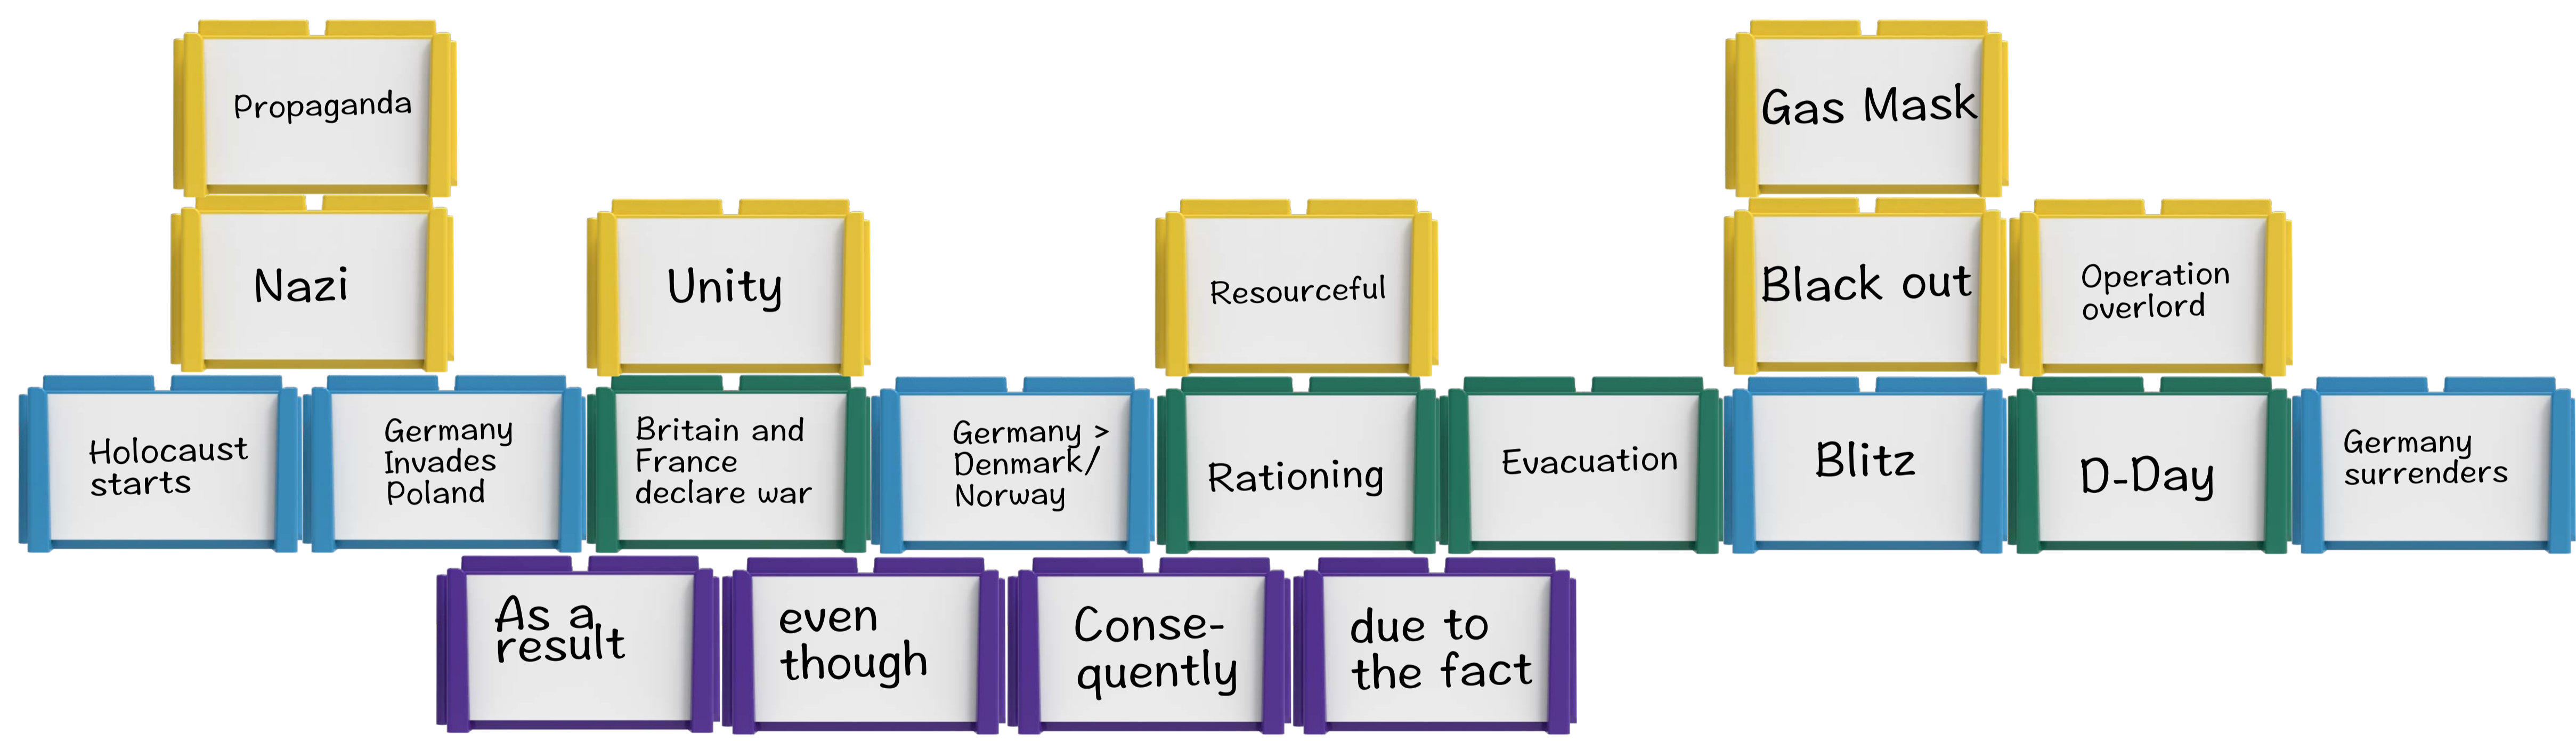

3 Target vocabulary

Incorporate target vocab into structure.

Guidance

Incorporate target vocabulary and key terms.

“Domain knowledge broadens vocabulary (you can pick up words in context)”
