Venn Diagram

Venn diagrams are a good tool for comparing things. They can tell us what is similar and what is different about two or more items.

Start by labelling the two boxes with the items you are comparing. Write all the features that both things have in the middle box and use the individual boxes for descriptions that are unique to that item.

Reflection

How well did you **understand** the key ideas?

How interesting did you find the topic?

Explain

Communicate the essentials.

Judge

Form an opinion or considered decision.
