The Topic

Examine a topic through a variety of different subject lenses. Understand how knowledge changes dependent on the perspective from which it is viewed.

### Guidance

Start by **identifying** the central idea you are looking at. In the surrounding boxes, look at the issue from **different perspectives**. For example, what would a doctor say about your issue?

How about an artist? Is there anything worth illustrating or painting?

Try and put yourself in their shoes!

### Reflection

How well did you **understand** the key ideas?

How **interesting** did you find the topic?
