

ClinBAY is a global services company that provides advanced statistical solutions to the healthcare industry. Established in 2007, ClinBAY is recognized for the quality, impact and timely delivery of its services. We are a preferred vendor for several major pharmaceutical companies.

To meet the growing demands from our customers and to address new requests, we are currently looking for a:

### **Biostatistician, Office based from Limassol, Cyprus**

#### **Position Description:**

This position will be responsible for all statistical duties on early phase clinical trials, including protocol design, sample size, statistical analysis plan, statistical programming, trial analysis and reporting, customer relationship and project management.

You will deliver on time high quality statistical work products to customers. You will operate in full autonomy, liaising and conducting work directly within international, cross-functional teams of pharmaceutical customers, business partners and colleagues.

You will contribute to the development of novel statistical software solutions at ClinBAY and be an architect to the sustained success and growth of ClinBAY's business.

#### **Position Minimum Requirements:**

- Master's Degree or higher (PhD) in Biostatistics, Statistics, or a related discipline.
- At least 2 years of pharmaceutical industry experience or other relevant experience with clinical trials.
- A minimum of 5 clinical trials being successfully designed analyzed and/or reported as a statistician.

- Excellent knowledge of statistical software packages (in particular SAS, R/S+, WinBugs), and the ability to use these tools in a regulated reporting environment.
- Strong organization skills and aptitude to deliver independently high quality results and on time.
- Excellent communication skills in English, both written and verbal, are essential.
- Faculty to work independently, to manage customer relationships and to impact the growth of our consulting and software businesses are key assets.
- Knowledge of Bayesian methods is must.
- Experience in Oncology is a plus

If you are interested, please e-mail a detailed CV in English to the attention of ClinBAY HR at [career@clinbay.com](mailto:career@clinbay.com). Deadline for applications is 30<sup>th</sup> of April 2023.

In return for your skills and commitment, ClinBAY offers a salary & benefits package adapted to your competency and experience, plus a solid bonus related to individual contributions and company growth. We also provide flexible working hours.

ClinBAY is an equal opportunity employer and are committed to creating an inclusive environment for all employees. We celebrate diversity and we do not discriminate based upon race, color, religion, gender, gender identity, national origin, citizenship, age, disability, sexual orientation, marital status or any other characteristics of our employees or applicants.
