EXPERIENCE

Industrial Design Intern

Shape Products | Sept 2017 - July 2018

Worked independently and as part of a team in the research, ideation, prototyping, CAD and presentation of product, packaging and display designs. Also created production files, patterns and CMFs for overseas manufacturing.

Industrial Design / Environmental Graphics Intern

National Capital Commission | May 2017 - July 2018

Assisted with research, branding, graphic design, user testing and fabrication preparation of 2D and 3D signage and installations. Contacted manufacturers and went to on-site visits.

Freelance Industrial Designer

Quello | May 2016 - Feb 2017

Freelance work for a health and technology startup. Conducted research, form ideation and concept development through sketches and low fidelity models.
