

CELEBRATION BOOKS

TOTAL: \$ _____ Not Applicable

Celebrate your child's birthday, special achievement or success in school with a new book donated to the Concordia Library, in honor of your child.

All Celebration Books cost only \$15 each!

Each Friday, at our flag salute, our principal will recognize students who donate a book by announcing their birthday or special achievement and rewarding them with a certificate. When your child donates a book, a permanent bookplate bearing your child's name and special occasion will be placed in the book donated, and your child will be the first one to check out the new library book!

All books available in our Celebration Book Club are displayed in a bookshelf behind the check-out counter in the Library. Please select your book, place your order form inside with your check \$15 payable to Concordia PTA and put them in the "Celebration Book Box" in the teacher's work room above their mailboxes.
