EARLY DROPOFF FALL 2019

Hollis Preschool is pleased to offer early drop-off starting this fall! Our goal is to offer our preschoolers additional opportunities for exposure to social settings at our preschool by extending our programs when possible. For staffing purposes, we ask for prior commitment by filling out the form below.

- drop-off at 8:00am
- \$40 per month applicable to each day enrolled in the Early Drop-off program (i.e. a child signed up for Early Dropoff two days a week would be charged \$80/month).
- Billed monthly via Sandbox for committed days (combined with your monthly tuition payment).
- No refunds for missed days

* Please note that this is a pilot program and we reserve the right to make adjustments as needed in pricing, staffing and enrollment to ensure the program is successful. Please be assured that if you require early drop off for any reason, as long as your child(ren) are enrolled by the 25th of the previous month, you will be accommodated.
