

Teacher Profile

Miss Ronni

Bio

Ronni has been performing professionally in the industry since the age of 10, performing in pantomime and acting productions such as 'Dick Whittington - Hiss and Boo productions' and 'A 12th Night - The Principal Theatre Company'. At the age of 12 Ronni trod the boards, on one of London's West End stages 'The Theatre Royal Drury Lane' in the production of 'Life on Earth'.

Her passion for performing continued whilst she trained at the same local dance school as Principal Joanne Mason, who taught Ronni Ballet. Whilst at the dance school Ronni trained and took examinations in ISTD Tap and Modern, and RAD Ballet up to Advance 2.

Teaching & Career Overview

Outside of the dance school Ronni has worked with professional choreographers and West End Musical Director - Stuart Morley, with the Millfield Youth Theatre, here Ronni not only gained tonnes of performing experience but also a wide knowledge of musical theatre.

This lead Ronni in 2011 to audition for a 3 year Musical Theatre Diploma, where she gained a scholarship, training not only in musical theatre but American Tap, Jazz, Ballet, Contemporary, Pas de Deux, Salsa, Commercial, Street, and Hip Hop. Leaving before her graduation to take a professional dance/ singing job abroad working in Egypt. She also played the lead role of the 'Wicked Witch in a production of Snow White'.

On her return she completed her teaching qualifications with the ISTD and realised her love for teaching and working with children, now teaching: Tap; Modern; Ballet; Musical Theatre; Street Jazz; Hip Hop and Cheerleading to all ages from 18 months to adults in North London. Most recently choreographing for MYT and Edmonton Glee Clubs with Pineapple Performing Arts where Ronni's choreography was performed at the Lyric Theatre, London and went on to win the competition.

Ronni is thrilled to be teaching and working alongside Joanne as she feels her teaching and guidance has

played a massive part in her career. She loves Absolute Dance and everything they stand for, and Ronni is

very excited to be running the Tap, Modern and Street Dance classes.
