

BUILD YOUR OWN ORGASM: DIRTY TALK

Dirty talk engages your mind and can keep you focused during sex. A basic rule is to say what you just did, are doing, or are going to do. Remember, it's okay to be aroused by something you might find crude in other contexts. And if you're nervous, test out a couple lines while masturbating.

WHAT TURNS ME ON

- You telling me what to do
- Me telling you what to do
