

17th May 2019

Dear Parent/Guardian

Please could you ensure that we always have your most up-to-date contact details, including mobile telephone number, home address and email address. If you wish to update your details please send them into school with your child who should hand them into the office. It is important that the details we hold for you are correct, valuable time can be wasted if contact details are not current. Staff also like to send positive text messages home for pupils informing parents of their successes in the classroom. Thank you for your continuing support.

This week Year 10 have been out of school on their work experience placements. You may have seen them in and around the community in various guises. Mrs Bollard-Wilkes has been out to visit the pupils at their chosen places of work during the course of the week. This is an invaluable experience for them and will hopefully give them a boost to achieve now they have had a taste of what is to come when they leave Fearn's in just over a year.

Year 7 pupils should have received a letter about the planned visit to Blackpool Zoo as part of our Year 7 literacy programme. The visit will be taking place on Monday 10th June and the day will include some literacy activities, including the opportunity to listen to a range of animal talks and displays. If you would like your child to take part in the trip, then please return the form and payment to Mrs Mitchell by Friday 24th May. We are also inviting literacy leaders as they will help to supervise and guide the Year 7s on the day. If you require any further information, please contact Mrs Haworth at school.

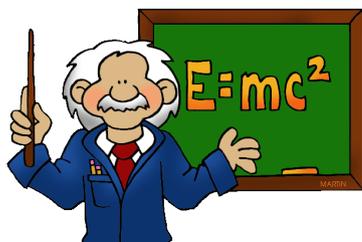

Year 11 pupils who have been invited to attend the Year 11 prom at The Dunkenhalgh Hotel on Friday 28th June 2019 will have received the final letter asking for full payment to be made. Please ensure the completed slip indicating your child's travel requirements is handed in to Mrs Mitchell by Friday 24th May along with the final payment.

Lancashire Book of the Year

This is our second year being a shadowing school for this award. There are eleven books on the shortlist, all of which our Literacy Leaders are busily reading so that we can cast our vote for our favourite in June. You can see all the shortlisted titles at <http://www.lancashirelibraries.co.uk/lancashirebookoftheyear>

Numeracy Question

The answer to last week's numeracy question is 248.

This week's numeracy question is: Find a four digit number such that the difference between its cube root and its square root is 48.

I hope you have an enjoyable weekend.

Mrs H Stead
Headteacher

CONGRATULATIONS TO THE PREFECTS OF 19/20

Congratulations for all passing the prefect training and being fantastic on the day. Mrs Ward is very proud of you. Well done!
