

GETTING READY FOR MOCK EXAMS - YEAR 10

Below are a list of topics to revise and useful websites for pupils in Year 10.

ENGLISH

- English Language - Paper 2 - Non-Fiction
- English Lit - Poetry - Power and conflict. Unseen Poetry

MATHS

- Revision guides and topics given in class

TRIPLE SCIENCE

Biology:

- Cell biology
- Organisation
- Infection and response
- Bioenergetics

Chemistry:

- Atomic structure and the periodic table
- Bonding, structure and properties of matter
- Quantitative chemistry
- Chemical changes
- Energy changes

Physics:

- Energy
- Electricity
- Particle model of matter
- Atomic structure

COMBINED SCIENCE

Biology:

- Cell biology
- Organisation
- Infection and response
- Bioenergetics

Chemistry:

- Atomic structure and the periodic table
- Bonding, structure and properties of matter
- Quantitative chemistry
- Chemical changes
- Energy changes

Further revision can be done through revision guides given to pupils

HISTORY

- Medicine and Treatment and Elizabeth I for the 2 papers
- Elizabeth
- Pupils have access to revision booklets
- Pupils need to understand how to structure the history essay questions
- Revision lesson on Medicine with pupils prior to the exam

GEOGRAPHY

- Rivers, Coasts and weather and climate
- Pupils have all been given revision materials for these topics
- <https://www.bbc.com/bitesize/examspecs/zsytxsg>

SPANISH

- Me, my family and friends
- Free time activities
- Food and eating out
- Home town and shopping
- Travel and tourism
- <https://www.bbc.com/bitesize/examspecs/z4vyjhy>

ART

Instructions for pupils to maximise outcomes

Year 10 art will be expected to work in silence and exam conditions during their exam time. They will be asked to complete a drawing test, this involves selecting an object and making a study in pencil of it. They will need to demonstrate their own unique way of seeing which is referred to as observational studies and their ability to add tones to make areas look 3D. Texture and any other element of art will increase their mark.

- Practise/revise these skills by drawing and shading objects
- List of 'how to' videos given by teacher in class
