6. Below are some issues I (Lisa Inzinga) would like to be addressed at the next council meeting.10/13/20020 I will not be in attendance. Lisa Inzinga, 520 Ridge Avenue, 412-403-1984 We talked on the phone a while ago about Act 77 being implemented for Verona senior citizen residents. Act 77 allows senior citizens to have a 30% deduction in local real estate taxes (Verona Borough taxes). You told me to send you an email so this topic can be addressed during the next council meeting. I would like this to be brought up at the next council meeting for consideration and what can be done to make this tax reduction happen.

I am also asking about the senior citizen discount for garbage/trash pickup. County Hauling told me they offer that discount, but Verona does not participate. Again, what can be done to make this happen.

My last issue is the rat infestation. I bought my house in January of 1997 in Verona and have never seen a rat in my neighborhood until a couple of weeks ago. I am seeing rats everywhere. What is the borough and/or county doing to get rid of the rats? They are running everywhere on Ridge and North. Thank you,
