

CENTRAL REGION SECTION 3B ORDER OF THE ARROW

Welcome to the Order of the Arrow!

Completing your Ordeal is an extremely humbling experience. As you're probably learning, your Lodge offers tons of exciting activities that you are able to get involved in.

What is a Section?

The Order of the Arrow also extends beyond your local Lodge. A Section is a group of Lodges that come together to grow in fellowship and service. Section C-3B proudly serves 7 Lodges across our section. Like your Lodge, we have a set of officers and chairmen that complete the day to day operations that make our organization successful.

What does the Section do?

We host COC or Council of Chiefs Meetings that vote on various topics, as well as a Section Conclave that is truly a life changing experience! Conclave is an opportunity for all of our Brothers from around the Section to gather, and create an excellent experience for themselves and others. You can attend training cells led by national officers, participate in AIA or American Indian Affairs activities such as ceremonies and dance competitions, and even compete in awesome activities like lodgeball or the conclave wide game! Section Conclave truly has something for everyone, and is an excellent way to get involved with your Section!

How can I get involved?

The Section has various committees that operate throughout the year, as well as CVC or "Conclave Vice Chiefs" that plan various aspects of the Section Conclave. If you are interested in an area such as communications, Order of the Arrow high adventure, merchandise, talk to your Lodge Chief or Lodge Adviser about getting involved!

We hope that you enjoy your time in the Order of the Arrow in the coming years, and take the opportunity to get involved! We have had some life changing experiences and made some life-long friends in this organization and truly hope that you are able to do the same.

Yours in Brotherhood,

Section Chief
