

# Food Box Guidelines:

**The Mission offers free monthly food boxes for families and individuals in need. Boxes are now provided Monday - Friday.**

- Please call us at **(701) 772-6600 ext. 206** on the day you would like to pick up your food box. You may call any time before 4:00 pm (or any time before 7:00 pm on Wednesdays).
- Leave your first and last name and your phone number. You will not receive a call back – once you leave a message, a food box will be reserved for you that day. Note: you may only reserve a food box for yourself or your household.
- You may pick up your food box **between 10:00 am and 4:00 pm** on the day you call. On Wednesdays, you may pick up between 10:00 am and 7:00 pm. Please try to call at least a half hour before you arrive to pick up your food box.
- When you arrive at the Mission, please go to **Door #2** (with the green awning) and ring the doorbell - someone will be with you as soon as possible. Please bring a photo ID when you arrive to pick up your box.

\*LIMIT: One food box per month per household

\*\*We will provide as much food as we can. Certain items may be unavailable when supplies are low (e.g. meat).

\*\*\*If you have reserved a food box twice and do not show up either time, you will be unable to pick up for 3 months.
