

Well-Being Wheel

What are you already doing in the different areas of well-being, for both children and adults in your school community?

Well-Being Wheel

Which dimension of well-being would you like to enhance in your school?

How?

If we were to have visitors in 20 years, how would they know that we care NOTHING about our well-being?

If we were to have visitors in 20 years, how would they know that we care DEEPLY about our well-being?

If we were to have visitors in 20 years, how would they know that we care NOTHING about our SOCIAL well-being?

If we were to have visitors in 20 years, how would they know that we care DEEPLY about our SOCIAL well-being?

If we were to have visitors in 20 years, how would they know that we care NOTHING about our EMOTIONAL well-being?

If we were to have visitors in 20 years, how would they know that we care DEEPLY about our EMOTIONAL well-being?

If we were to have visitors in 20 years, how would they know that we care NOTHING about our PHYSICAL well-being?

If we were to have visitors in 20 years, how would they know that we care DEEPLY about our PHYSICAL well-being?

If we were to have visitors in 20 years, how would they know that we care NOTHING about our COGNITIVE well-being?

If we were to have visitors in 20 years, how would they know that we care DEEPLY about our COGNITIVE well-being?

If we were to have visitors in 20 years, how would they know that we care NOTHING about our ENVIRONMENTAL well-being?

If we were to have visitors in 20 years, how would they know that we care DEEPLY about our ENVIRONMENTAL well-being?

If we were to have visitors in 20 years, how would they know that we care NOTHING about our SPIRITUAL well-being?

If we were to have visitors in 20 years, how would they know that we care DEEPLY about our SPIRITUAL well-being?

If we were to have visitors in 20 years, how would they know that we care NOTHING about our FINANCIAL well-being?

If we were to have visitors in 20 years, how would they know that we care DEEPLY about our FINANCIAL well-being?
