

Additional

# FLEXCELL® FLEXLINK®

## Fx-5000™ Compression

Run multiple regimens at one time!

- Additional strain unit controller that links with a FX-5000™ System computer allowing the user to simultaneously operate two different regimens on two different baseplates.
- Four FlexLinks® (Fig. 10) can be connected in a series and operated from one central computer.

\* Each FlexLink® may require an additional vacuum or positive pressure source depending on the intensity of the regimens needed.

**Figure 10.** Image of FlexLink® Tension System Controller.

### FlexLink® includes:

- FX-5000™ Compression FlexLink®
- Compatible Baseplate Kit
- Tubing and Adaptor Kit
