

Arguably the most important camera to be fitted to a vehicle, our flush fitting reverse camera with adjustable angles, benefits from improved low light sensors meaning night or day you can see what's behind you, in turn helping to eliminate blind spots for the driver.

Features

- 720p AHD
- FORS compliant
- IR night vision – 8-10m
- Unobtrusive mounting
- Anti-vibration technology

Sentinel Systems Ltd

Unit 2, Querns Business Centre, Whitworth Road,
