8	C1-1006B	Screwdriver 2.5mm Hex	1

This document is intended solely for the use of healthcare professionals. A surgeon must always rely on his or her own professional clinical judgment when deciding whether to use a particular product when treating a particular patient. ECA does not dispense medical advice and recommends that surgeons be trained in the use of any particular product before using it in surgery. The information presented is intended to demonstrate an ECA Medical product. A surgeon must always refer to the package insert, product label and / or instructions for use before using any ECA Medical product. Products may not be available in all markets because product availability is subject to the regulatory and / or medical practices in individual markets. Please contact your ECA Medical representative if you have questions about the availability of ECA Medical products in your area. ECA Medicals owns, use or have applied for the following trademarks or service marks: Cervical-One, ECA Medical. All other trademarks are trademarks of their respective owners or holders.
