

## Middlesex Tennis Parents Group

### *Information and How to Apply*

Thank you for following the link to find out more about the Middlesex Tennis Parents Group and how to apply.

Middlesex Tennis would very much like to involve parents more in what we do it. It is more than just the tennis, it is about belonging, community and team spirit. We are looking to create a group that will capture the contribution that parents make and which the county values. The overall purpose of the group will be to:

1. Provide insight and feedback around all aspects of the performance programme
2. Suggest and organise a small number of social gatherings to create this more informal approach.
3. Attract and build a bank of parents to be involved in volunteering capacities as they arise.

So that we can consider your application, please let us know the following:

**1.What is your/your family's involvement in tennis?**
