

For 2018 the Road to Wimbledon County Finals were held at Paddington Recreational Grounds. Winners (and some runners up) from Venues played in a Round Robin draw on Saturday. The winners of each Round Robin box progressed to a knockout draw on the Sunday.

In the boys, we had 12 boxes and 12 boys progress to Sunday. Playing in the Fast4 format Leo Silverston, from Islington and Shahzad Mohammed, from Ealing LTC progressed to the finals coming through 2 and 3 matches respectively. Leo was dominant throughout his matches and again in the final winning 4-0 4-1.

In the girls, we had a slightly smaller draw with dominant performances from Jessica Miller from Highgate School and Julia Woodward-Chung from Will to Win Regents Park to reach the finals. Jessica prevailed 4-0 4-0.

The winners now progress to play at the All England Club in a weeklong tournament in August. Runners Up are invited to a Coaching Session at the AELTC with Dan Bloxham and an international player.

Thank you to our referee Rick Gardner for running the event, and our court supervisors Maia and Matt
